Hi-arts sale

Thornlea Secondary School is holding its Hi-Arts '76 exhibition and sale Saturday, and among students putting the finishing touches on arts and crafts items is Kim Haste. The event, which runs from 11 a.m. until 5 p.m. will be held at the school, 8075 Bayview Ave. Included will be ceramics, batiks, silkscreen prints, jewelry and graphic designs.

Home selling course

SCARBOROUGH — Buying and Selling Your Home. Seneca College is accepting a limited registration for three-session course titled "Buying and Selling Your Home." Fee for the course is \$15. For further information call 493-4144.

Turn off summer heat... with **DUNHAM-BUSH SPACE-PAK** Central Air-Conditioning System

For any home, regardless of design or construction. Prefabricated flexible ducts small enough to be pulled between studs and around obstacles let homeowners enjoy the comforts of central air-conditioning even in homes heated electrically, or with hot water.

Sound-suppressing, draft-free, humidity-reducing, sensibly priced. SPACE-PAK® cools fast and dehumidifies better—removes as much as 25% more moisture than ordinary central systems. Result: Blissful comfort, no mugginess. Cool, dry air is mixed without drafts throughout each room. The Space-Pak system has sound-absorbing qualities that minimize noise.

Major structural work avoided. Installation is virtually free from muss, dust and household disruption.

The mower for all seasons.

SPRING & SUMMER FALL & WINTER

The Snapper V-Series mower is a lawnmower and outdoor vacuum in spring and summer. In fall and early winter, the optional Snapperizer converts the Snapper into an outdoor vacuum which pulverizes leaves.

Snapper is the one machine for all seasons of lawn care. See us for a free demonstration.

SNAPPER
All Snapper mowers meet A.N.S.I. safety specifications.

brain...
always cookin' up something exciting! Remember the time you went hiking and Dad saved you from the man eating garter snake?

greying temples...
a mark of distinction, caused by too many baseballs thru neighbours' windows and Uncle Fred's annual visit

ears...
precision instruments... can hear cookie jars opening between meals and comic book pages turning after all the lights should be out.

receding hairline...
wonder if you could have had something to do with this... hmmm....?

eyes...
available in a variety of shades but always full of twinkles. A father's eyes can tell you many things you'll never have to hear to understand.

nose...
can always smell a rat! How did Dad find out about the accident you had with the lawnmower and Grandma's prize begonias?

mouth...
often formed into grins, and on special occasions can whistle louder than any kid on the block...especially when you're late for dinner.

What makes a Dad a Dad

There are lots of little things that make your Dad special! The way he taught you to tie your shoes or how he understood when you told him you preferred art school to law school.

Your Dad may not say it often but in little ways you know he loves you. Father's Day is your chance to show how much you care. At Towne and Countrye Square there are handsome Father's Day gifts.

The selection is almost endless and you're sure to find that unique gift for Dad. You may not say it often but in special ways Dad knows you love him.
