The Liberal Real Estate Review

A Sequel to the Canadiana Series in The Stone Farm

The Savoy Mk I

One of eight now under construction, of twenty-three distinctive homes at this strategic north side location. Speak now and you can probably have possession of your choice for your new residence late this summer. Prices of the first eight range from \$105,900.00 to \$130,900.00 with first mortgages up to \$74,000.00 at 10 3/4 % for those who hurry! Check with us for other locations.

THE POSSIBLE DREAM

The Southkeep Mk I

This romantic but intensely practical haven can be yours in one of Toronto's most desirable settings, nestled with a full walkout basement on just about the last true ravine lot in captivity. You'll be the envy of your friends everywhere. Invite them to sip tea on your broad back balcony. Let them intoxicate themselves with the commending view up and down the winding valley below. Inside again let them see the warm friendly life style your family enjoys in this five bedroom home with its charming entry foyer leading to main floor den, plus family room. More than 3,350 square feet on the upper two floors, not to mention all the fun space down the open spiral staircase to the high bright walkout basement opening to the terraced rear gardens and pool area. Where? Would you believe it, in the Bayview-Steeles area?

This is just one of 36 homes planned for construction this summer or that are ready for you to move into right away in four (4) different north side locations. Prices range from \$98,900.00 with a 10% mortgage (Yes, 10;%!) to \$226,000.00. Others with \$75,000.00 mortgages at 10 3/4 % for those who hurry.
