Seniors hold celebration

MAPLE — Senior Citizens from Thornhill, Woodbridge, Maple and Kleinburg got together June 14 in Maple arena to celebrate Senior Citizens Week.

Under the direction of Evalene Kersey, the

Kleinburg unit served a pot luck lunch. Vaughan Township donated cake.

Lorna Jackson and Fred Armstrong brought greetings from Vaughan council and Marilyn Farber stopped by to say

hello on behalf of Barney Danson.

Maple unit president Ted Smart presented Louise Cooper with two cups and saucers in appreciation for her work with the Seniors. Mrs. Cooper is a

member of the Vaughan Township Senior Citizens' Cabinet.

Following lunch, the seniors enjoyed an afternoon of games in which, as one source put it, "the men beat the

ladies all hollow." Prizes were awarded to the Lex Jamiesons of Thornhill for achieving 53 years of matrimony, to Maple member Florence Ella for her 93 years and to Mabel Mizen from Thornhill for 91 years.

Markham initiates spraying program

MARKHAM — Three Markham town parks department foremen, who have completed a pesticide course at University of Guelph, have started work on a spraying program to destroy encephalitis-bearing mosquitoes.

The program began with sampling of water throughout Markham to determine concentrations of the mosquito larvae.

A survey of public land has also been taken to discover what areas require spraying. These areas include parkland, ditches and storm sewers.

A granular chemical will be used to spray ponds and streams. This material will sink to the bottom of the water

where the larvae are found but not harm any other wildlife.

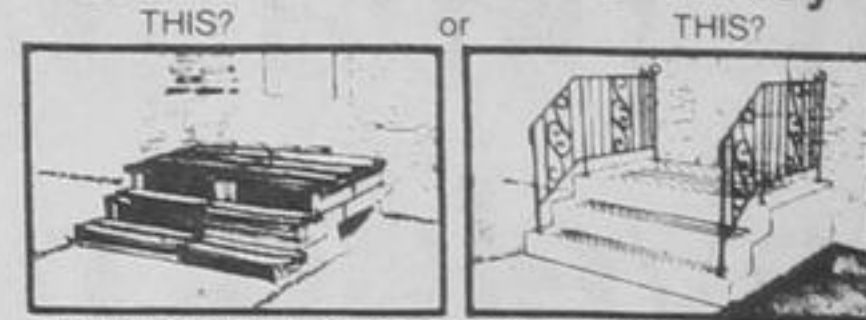

It will only be necessary to spray water 18 inches deep or less, since the mosquito does not breed in deeper water. Some shallow areas may be drained or filled in.

The public will be advised as to what they can do on their own property to prevent attracting the insects.

Precautions include keeping all backyard appliances such as barbecues and garden hose free of standing water.

Owners of large tracts of land will be encouraged to begin their own spraying programs.

TOKYO - WORLD'S LARGEST CITY

Tokyo is the world's largest city and perhaps the fastest paced. There are blocks of office buildings as far as the eye can see, expressways, traffic jams, crowded subways. But this modern face is only half the picture. Underlying Tokyo's asphalt exterior are layers of history and unchanging tradition.

the corner and enter a tiny shop that still serves raw blowfish in a bamboo decor unchanged since the time of sumurai. Or, you can see a geisha girl ride to her destination in a rickshaw, and return in a Cadillac.

Tokyo's personality is shattered in a thousand pieces. You can spend a lifetime in this city and never get to know all of it.

If there is one thing that can be said about Tokyo it is that she casts a spell over nearly everyone who knows her for any length of time. In Tokyo, Japan's own peculiar characteristics are intensified. You can watch a color TV display in a store window, then turn

Environmental Assessment Board NOTICE OF PUBLIC HEARINGS WASTE DISPOSAL SITES Regional Municipality of York Town of Vaughan

The Ministry of the Environment has received applications for waste disposal sites for landfilling as follows:

Applicant	Location
Superior Sand, Gravel and Supplies Limited	Portions of Lots 21, 22, 23, 24, 25, 27, 28, Concession III, Town of Vaughan, Regional Municipality of York.
Crawford Allied Industries Limited	Part of west-half of Lots 22, 23, 24 and 25, Concession III, Town of Vaughan, Regional Municipality of York.

The Ministry of the Environment has received an application for a waste disposal site (resource recovery) as follows:

Applicant	Location
Crawford Allied Industries Limited	Part of west-half of Lot 22, Concession III, Town of Vaughan, Regional Municipality of York.

The Environmental Assessment Board will conduct public hearings to obtain information and to hear the views of the public so that it can make recommendations in respect of the proposed waste disposal sites. Written and oral submissions may be made to the Board at the hearings. The Board will not consider any submissions regarding the proposals after the hearings have been closed.

The hearings will be held on July 6, 1976, at 10:00 o'clock in the morning local time in the Maple Community Centre, 10190 Keele Street, Maple, Ontario.

The Environmental Assessment Board intends to devote the first day of the public hearings to dealing with preliminary matters related to future scheduling and procedures of these public hearings. Such preliminary matters will include, but may not necessarily be restricted to, hearing submissions regarding adjournment, exchange of technical reports, order of calling evidence, order of priority of cross-examination, fixing of dates where necessary for the calling of special witnesses and SETTING AND ANNOUNCING A DATE AND PROBABLE PERIOD OF TIME FOR THE ENTIRE HEARINGS. ANY PERSON WISHING TO MAKE REPRESENTATIONS TO THE BOARD REGARDING THESE MATTERS OR WISHING TO PARTICIPATE IN THESE HEARINGS SHOULD ATTEND OR BE REPRESENTED ON THE FIRST DAY. THE BOARD DOES NOT INTEND TO PUBLISH ANY FURTHER NOTICE REGARDING THESE HEARINGS.

Plans of the proposed waste disposal sites will be available for examination and inspection during normal business hours in the office of the Clerk of the Regional Municipality of York, 62 Bayview Avenue, Newmarket, Ontario, in the office of the Clerk of the Town of Vaughan, 2141 Major Mackenzie Drive, Maple, Ontario, and in the office of the Secretary of the Environmental Assessment Board.
