He may be tiny but he's mighty. That's Scott Brushett of Richmond Hill's Caesar's Palace team (left) taking the ball away from an unidentified Aurora player. Nothing to it. The fast action came during a recent Richmond Hill Minor Soccer Association League encounter between the two teams. Guess who won?? Ooooh. Richmond Hill by a whomping 9-0.

minutes, one from a free kick. The Hill's Scottie Ross then pushed the ball in after a good run by Carl Koteff. Richmond Hill pressed for the equalizer but their hopes were chilled when Aurora scored on a breakaway.

Most of us have the good sense to wear a life jacket when we head out in a boat, but very few of us have ever taken the time to get together a small emergency kit.
