

# French power Trojan horse

Dear editor:  
I appreciate your respect for the privilege Canadians still have to express their views. However, I hope your readers place a different interpretation upon the object of the "Canada Party" than you did in your editorial.  
Nowhere do we downgrade the French language and culture. It is no better or worse than any other. Actually "culture" is a myth. We all have the same Canadian "Culture" derived mainly from western Europe.  
None of us want to maintain a culture that existed 200 years ago. "Times Change" as Trudeau said recently.  
The Canada Party is not hostile to all Quebecers either, only to the "French power" based in Quebec. Remember not all Germans were Nazis.  
We were not called bigots when we fought them and freed part of Europe (and lost the rest). Bilingualism is a Trojan horse designed by this "French Power" group to destroy Canada.  
How can Canadians in Quebec be denied the right to learn and use the English language? Where is the freedom there?  
What are other Canadians doing to protect the freedom of our brothers in Quebec? Have we forgotten the lessons prior to World War II and the attack on Pearl Harbour?  
Recent reports indicate that only about 20 per cent of the world's population are now living in freedom and the percentage is declining.  
Canadians may be the next reduction in this figure, if you have noticed some recent events.  
"Times Change" and time is running out for Canada and Canadians.  
Isn't it odd how the Canadian politician can twist facts. In the U.S.A., those who favor segregation are

called "racists" and in Canada those who favor assimilation are called "racist".

**IF YOU LOSE YOUR PASSPORT**  
If you are traveling abroad, the surest way into any vacation is to lose your passport. Keep it in a safe place and make sure you and it do not get separated.

If your passport is stolen or lost, notify the police immediately and get a written statement that you have reported the loss. The next step is to go to your nearest embassy or consular office. The first request will be for the written police statement verifying the loss. Then you will be issued a replacement passport that will be valid only for a limited period. You will be asked for identification and probably will have to

be accompanied by an identifying witness.  
If you lose the passport shortly before you are about to take a plane or train for another part of the country, you should report the loss at once to the police and then continue with your journey, provided there is a consular office in the city for which you are headed. But don't forget to obtain a written statement from the police that the loss has been reported.

**EXPLANATORY NOTE TO BY-LAW NO. 38-76**

In many instances when a part of a lot is acquired by a municipality or any other expropriating authority, i.e. for widening of a highway, it results in the contravention of the zoning by-law such as the reduction of the front yard of the house on the remaining land below the required minimum. The purpose of By-law 38-76 is, where an expropriating authority has taken part of a lot by expropriation or acquisition, the remaining lands are deemed to conform to the by-law. The By-law applies to all lands that were in the Township of Markham and that are now in the Town of Markham by virtue of The Regional Municipality of York Act, 1970, and covered by By-Law 2325-68.

**NOTICE TO ADJOINING MUNICIPALITIES**

PROPERTY OWNERS IN THE TOWN OF RICHMOND HILL, THE TOWN OF WHITCHURCH-STOUFFVILLE, THE TOWN OF PICKERING AND THE BOROUGH OF SCARBOROUGH ADJOINING THE TOWN OF MARKHAM, PLEASE TAKE NOTE OF BY-LAW 38-76 PRINTED ABOVE.
