THE REGIONAL MUNICIPALITY OF YORK OPERATIONS BRANCH Chief Operator Water Works and Waste Water Treatment

Wages: \$6.42 to \$6.74 per hour
Qualifications: Secondary School Education, M.O.E. Certificate of qualification as a water works or a waste water treatment operator. A knowledge of pumps and the electrical works involved in their operation and experience relating to coagulation, flocculation and filtration processes would be considered assets for this appointment. An activated sludge workshop certificate from M.O.E. would be desirable.
Duties: Reporting to the Superintendent Water Works, the successful candidate will be initially responsible for the operation and maintenance of a surface water treatment plant and a waste water treatment plant. He will be further responsible for the employment and control of the staff at these facilities. Initial area of employment would be in the Sutton-Jackson's Point area.

Water Works Operator

Wages: \$5.04 to \$6.12 per hour, depending on qualifications.
Qualifications: Experienced in the operation of surface water treatment plant, including chemical feeders and storage facilities. M.O.E. Certificate preferred.
Duties: Responsible to the Chief Operator for the operation and maintenance of a surface water treatment plant. Must have the ability to perform all laboratory testing and to keep records of flows and chemical analysis. Initial area of employment would be in the Sutton-Jackson's Point area.
