

Air show secretary

June Kirby of 320 Markham Road in Richmond Hill is executive secretary of the Canadian International Air Show, which featured two and a half hours of aviation excellence at the CNE Labor Day weekend. Two prominent Canadian flyers — Gerry Younger, Canada's national aerobatic champion, and Oscar Boesch, in his slim-winged glider — made return performances at this year's show.

Gymnasts program at Hill Y

RICHMOND HILL — A gymnastics program, which has already proved a "phenomenal success" in Scarborough and North York, will be conducted at Richmond Hill YMCA starting the week of Sept. 20.

The program is made up of two tiers, each of which operates on four levels of skill. The first tier is the after-four program, based on the Ontario gymnastics achievement award system.

It's for both boys and girls from 6 to 12 and utilizes only box horse, beat board and mats throughout all four levels.

As a result, it is exceptional in developing a sound understanding of the sport, according to Mark Foray, Y physical education director.

The program costs \$20 for 10 weeks and will be conducted at Pleasantville, McConaghy, Crosby Heights and Walter Scott public schools every Monday.

Roselawn public school and the Y centre will conduct the program on Wednesdays, with the Y also holding it on Thursdays.

The Saturday program, designed by Debra Foray, wife of the Y director, enjoyed such success in Scarborough, that a competitive gym club was organized by popular demand.

Says Mrs. Foray: "The most important features of this program are first, the built-in safety elements and the controlled quality of the coaching staff through our own training certification program. Second, competition is played down and skill development is emphasized on each piece of apparatus.

"This, of course, is the basis of the Russian system, which is so successful now."

The course, which uses all pieces of equipment, will cost \$25 and be held at Bayview Secondary School.

Foray said there was still room for gymnasts over 14 years of age who would like to coach in the program.

Those interested should contact him at 884-4811, before Sept. 16, and be prepared to attend a coaching seminar the weekend of Sept. 18 and 19.
