MAPLE — The annual walkathon in support of the worldwide work of the Canadian Bible Society, held on Sept. 25, was a great success largely due to the enthusiasm and energy of boys and girls from all churches in Maple.

The first to make the 10-mile course, finishing in two hours exactly, were Chris Cook, John Flynn, Michael Jones, Peter Morris and Peter Snowden. Peter also topped the pledges.

Rev. George French, wearing a highland kilt and the Argyle tartan, with Lars Hansen to spur him on, made it in two hours and seven minutes. Brian and Cameron Marshall in three minutes

more crossed the tape in a close finish.

Thanks are due to the women of Teston United Church, the first stop in the circuit, to the women of St. Paul's Presbyterian, the second stop, and to St. Stephen's Anglican Church, the goal of the walkathon, for the generous refreshments provided.

Mrs. Keith Mathewson of St. John's Ambulance was on hand everywhere for safety's sake. Overseeing the whole circuit was James Davis.

Rev. Stanley Snowden, Rev. Andrew Brndjar and Dr. Ramsay Armitage were among the organizers of the walkathon.

Bailey Barbeque
Three hundred parents and students attended the second annual barbeque last week at George Bailey School, to meet new principal, Ted Woodger, and renew acquaintances with teaching staff.

Bowling club
The first meeting of the Pioneer Bowling Club, this fall, will be Thursday at 7 p.m. at the bowling alley in Maple Community Centre.

All new members are invited. For further information call 884-1026.

Candy Drive
The dates are now set for the annual candy drive sponsored by Maple Hockey Association.

German students in region

AURORA — A West German exchange student is finding science classes in Canada a bit slow for her liking.

As a result, Susanna Kniesel, 16, who is the guest of Angela Jones, 15, of Aurora, switched from Grade 11 to Grade 12 biology and Grade 13 chemistry, after one week in the country.

Susanna is one of 22 German students from the Baden Wurttemberg district near Stuttgart, who are spending three months in Canada as part of a Canadian family.

The program is sponsored by York County board of education.

In March, the York Region students will be reunited with their student counterparts in Germany

for three months there.

There is no cost to the board for the program, which is the only one of its kind in the province, according to Daisy Crone, co-ordinator of student travel for the board.

She said students do extra work during the year, so their grade is finished by the time they leave in March. However, the program is less concerned with academics than in giving the students a chance to become fluent in each other's language.

German students usually have five to seven years of English classes behind them, while Canadian students have only two of German.

However, results show that the Canadians become fluent in German within the first month.
