ALUMINUM STORM WINDOWS

Winterize your home now by installing custom made double hung aluminum storm windows from Saveway. The windows are made with expanders to fit off-square sills and all glass and screen inserts slide out for easy cleaning. C.M.H.C. approved.

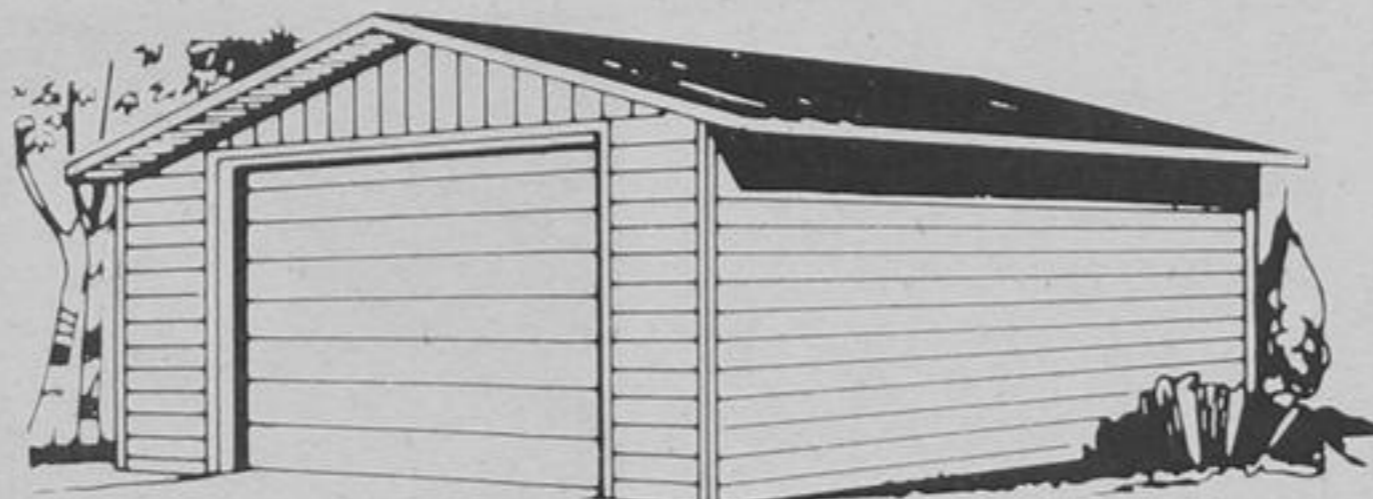

MEASURING FOR UNITED INCHES

Use outside measurements. Measure the frame opening where you would normally set an ordinary wood storm sash window. For United Inches add the exact measurements of (A) and (B).
(A) the width between side casings
(B) the height from the sill to the bottom edge of the top casing
(C) the distance from the bottom of the top casing to the centre meeting rail.

Please bring all three measurements to Saveway when ordering.

United Inches	Natural Finish	White Finish
