**USE FIRE CAREFULLY**

**Kids race**

By Doreen Livingstone  
**THORNHILL** — Pouring rain did not dampen the enthusiasm of students from over 10 schools in area 4 who participated in the German Mills Cross Country Race last Thursday. The event was held at German Mills Public School on Simonston Blvd. in Thornhill.  
Individual first for senior boys was Randy Lothrop of Woodlands Senior Public School, the school also coming first in its category.  
Laura Campbell of German Mills Public School ran first in the senior girls division with German Mills also first.  
For Junior Boys, Parkview Public School student Jeff Mannibusa ran first with E.J. Sand Public School first.  
Junior Girls Debby Berger of Stornoway ran first and Parkview Public School was first in that division.  
The race was co-ordinated by Ken Hamilton, Physical Education teacher at German Mills Public School. Marshalls were to be posted at corners to mark the course for the visiting students, but because of the weather, Mr. Hamilton had to lead the way during both races which were between 1 mile and 1 1/2 mile in length.  
Aside from some students falling in the mud, there were no mishaps. Awards were handed out in the school gym to the soggy but smiling students.

**Church has anniversary**  
**THORNHILL** — Thornhill United Church will be celebrating its 173rd anniversary on Sunday, Oct. 24 at 7:30 p.m. with a musical presentation.  
The Junior Choir will sing a modern musical, It's Cool in the Furnace, about the faith of Daniel. The adult choir will sing modern and traditional anthems.  
Gordon Fleming, director of music, will play several organ selections and the evening will be rounded out with congregational singing.

**Bus amalgamation starts on Nov. 28**

**NEWMARKET** — All-through bus services on Yonge Street, south of Newmarket, will be amalgamated into the GO Transit System, starting Sunday, Nov. 28, York Region Chairman Garfield Wright said this week.  
Wright is the region's representative on Toronto Area Transit Operating Authority. (TATOA).  
The decision to bring the services of GO and Grey Coach Lines together is expected to save \$250,000 annually, as well as improve service and bring about better use of crews.  
It will also provide more frequency of service and extra seating capacity in the well-travelled corridor between Newmarket and Finch subway station.  
Inter-city buses from Barrie via Highway 11 and from Sutton will operate express to Toronto from the GO terminal in Richmond Hill.  
The balance of GO's Yonge Street services will operate from York region bus terminal, north of the Finch Ave. Subway station.  
The Newmarket route, serving Newmarket, Aurora and northern portions of Richmond Hill, will operate semi-express through southern Richmond Hill and Thornhill.  
Local GO service will replace the present TTC bus operation in the latter communities.  
With the introduction of the latter, free transfers will be operated between the GO and any one of the three municipal systems — Richmond Hill, Markham and Vaughan Transits.  
The three municipal systems and GO's local Yonge North service, south of Elgin Mills, all have the same single-zone fare, with an adult cash fare of 35 cents.  
All new timetables, effective Nov. 28, will be listed in GO Transit advertisements, appearing soon in area newspapers.

**School board staff prepared to strike**

**AURORA** — A strike is possible among administrative, secretarial and technical employees of York County board of education.  
Ninety-three per cent of Local 1734 of the Canadian Union of Public Employees voted in favor of a strike last week.  
They will be in a legal position to walk out Oct. 20. Union representative Nick Vollebregt, however, says a strike would be "a last resort."  
The strike vote means there will now be negotiations involving the ministry of labor. "Nobody wants this kind of thing," Vollebregt said, "but because we work for politicians... One of the problems with politicians is there is no consistency."  
He said that in 1969 a clerk working for the school board at Level 1, the lowest level, received \$3,440 for working seven hours a day, five days a week, 49 weeks a year.  
The school trustees received a \$3,000 honorarium.  
In 1975, trustees gave themselves a 100 per cent raise to \$6,000. Wages of a Level 1 clerk were \$4,960 and went to \$5,900 in June, 1975, but the clerks were still \$100 behind the trustees, he said.  
Moreover, a secretary working for the North York board of education received \$9,000 in 1975, he said.  
Vollebregt said schools will not be affected directly. "Where it would hurt the most is the payroll department where the payroll would be affected along with the day to day operation."

**Growing without soil is topic of demonstration**

**Marilyn McDonald Correspondent**  
889-4668  
**THORNHILL** — Soil is not necessary for a successful garden.  
So says Helmut Julinot, head of hydroponics at Green City, Mississauga.  
Julinot will present an illustrated demonstration of hydroponics — the art of soilless gardening — to the Thornhill and District Horticultural Society at 8 p.m. Oct. 19 in North Thornhill Community Centre (Heintzman House).  
During this last fruit and vegetable show of the season, all regular features of the monthly meetings will be included: library facilities, draws for garden supplies, and plant sales.  
Refreshments will be served in the Society's usually tasteful manner, and visitors, of course, are always welcome.  
The Naomi Chapter of Anglican Church Women has organized a card party for 8 p.m. Oct. 20 in the parish hall of Holy Trinity Anglican Church. A variety of games will be played and there'll be prizes and refreshments.  
Call Helen Bogg, 889-7192, for the \$2 tickets.  
Gorge on good food and great fun at this year's Ukrainian Mini-Caravan and Bazaar.  
Borsht, cabbage rolls, perogies, sauerkraut and sausages will be featured in the licensed cafe.  
Sponsored by the parish of St. Vladimir's Ukrainian Catholic Church, the annual event takes place from 3 till 10 p.m. Saturday, Oct. 30 in Thornhill Community Centre.  
A dance and song-filled show will be performed live, at 4:30, 6, 7:30 and 9 p.m. that day.  
There will be a draw after each show, and a big draw — for a color TV — after the final curtain falls.  
Other attractions are: an auction featuring such items as an oil painting, appliances and quilts, and display booths selling Ukrainian embroidery, ceramics and home baking.  
Admission is free and all are welcome.

**Thornhill's girls win 2,**

**THORNHILL** — They might not be as strong as last year's undefeated squad but the Thornhill Secondary School girl's senior team is doing all right so far.  
The team, featuring high-scoring Karen Cushing at centre, and Suzanne Manning at guard, has won two games and lost one in league play with a win over Langstaff Secondary School of Richmond Hill and a loss to Richmond Hill by 34-31.  
One of the more impressive displays under coach Kerry Thompson was in the recent Collingwood Golden Girls' tournament which saw them winning their first two games before losing to the number one ranked team in Canada, Ancaster.  
The loss was a 48-26 decision but Thornhill was the only team not to have the score doubled by the powerful Ancaster squad.  
Centre Cushing led the Thornhill attack with 12 points.  
Karen also netted 20 points in the opening 46-26 win over Stayner, then came back with 26 points in a 40-25 tournament win over Langstaff.  
Thornhill won the York County and Georgian Bay finals last year under coach Thompson.  
Karen, guard Suzanne Manning, and forward Lorna Cox are all back from last year's squad. Patsy McLean and Shannon Sheath round out the starting five.

**More grants from Wintario**

**RICHMOND HILL** — Those Wintario grants keep on coming.  
Richmond Hill Arena Association will receive \$5,925 to assist in the purchase and installation of a Rotoratic sport-stimer.  
The association is also to get \$2,250 to construct a dressing room, washroom and shower facilities, with whirlpool bath and trainers' table, at Bond Lake Arena in Oak Ridges.  
Richmond Hill men's fastball league will receive equipment and trophies, valued at \$1,662.  
The town parks and recreation department will get \$737 for bleachers, drinking fountain, fencing and public address outlets at Crosby Park soccer field.  
Several other grants for projects in York Region were announced last week by the province's culture and recreation ministry as part of its Share Wintario program.  
King Township receives \$14,285 to construct a new community hall above the existing Schomberg community and agricultural arena.  
Vaughan parks and recreation department will get \$4,340 for its summer physical fitness program.  
A \$3,000 grant goes to Whitchurch-Stouffville public library and \$2,000 to East Gwillimbury public library for the purchase of Canadian books, films and periodicals.  
Aurora minor football association will get \$250 to buy uniforms.
