Open season on Pickerel

TORONTO — The open season for Lake Nipissing pickerel during 1977, 1978 and 1979 will begin the Wednesday following the Victoria Day weekend and will continue to Mar. 15, Natural Resources Minister Leo Bernier announced.

In 1977, the season will open May 25 and close Mar. 15, 1978.

Bernier emphasized the need for uniformity in the open season during the next few years while biological assessment of the fishery and its regulatory control is being conducted.

The pickerel season on Lake Nipissing was first shortened in 1975 to ensure a necessary and adequate reduction in the total harvest of pickerel and the perpetuation of the fishery.
