Ladies do it again!

By Bob Reeves

RICHMOND HILL — Well, they surely did it again! The Ladies Auxiliary held their bazaar last Saturday and it seemed like the whole province was there.

It really was a happy day. I understand there was quite a line-up before the 10 a.m. opening and in all that rain as well.

And it certainly was worth it. There was a tremendous collection of almost everything imaginable there and generally speaking everything sold well. It must be very gratifying to enjoy such fine success after working so hard to put the whole day together. To each and everyone

hill minor hockey

who worked so hard in putting the bazaar together, thank you! And to those who came out in the rain and helped make it the success it was — thank you for attending.

Leila won. By the way, Leila Kenney of Bradford won the Afghan which was donated and crafted by Shirley Vantol. And congratulations to Judy Joslin who won that beautiful wedding doll made by Vi Pierce who is

a new member of the auxiliary this year.

Merry Xmas And now some more good news. Shirley Logan has asked me to convey the message that there will be no more meetings until after Christmas.

This, of course, is to let you all get your break after all the work in the Skatathon and Bazaar. Also anyone who is interested in joining the auxiliary should keep their eyes on the bulletin board in the arena in the new year.

We need lots of help and it can be a lot of fun. Once again thank you everyone for a great bazaar last Saturday. Have a wee rest and we'll see you in the New Year.

The loss prompted head coach Ed Hoogenboom to comment: "Until we get 110 per cent effort from every player on the team our situation won't change much. At the moment, we are getting it from about half of the team. As a result, our play is inconsistent but the season is young and these boys have plenty of talent."

RICHMOND HILL — Richmond Hill goalie Dave Jordan got the shutout as his Bantam A team walloped Newmarket 9-0 Saturday in a penalty filled contest.

Richmond Hill scored five short-handed goals with the first one coming from Ken Main from Craig Halliday at 5:28. The same period saw Halliday scoring from Dave Allen.
