Trying decoupage

Saturday's open house at Concord library provided the opportunity for students such as Angela Bellotto to try their hands at crafts such as decoupage. The display of the Decoupeurs Guild of Ontario was one of several attractions at the popular library.

RE-ELECT

COBURN

TRUSTEE
York County Board of Education

TOWN OF VAUGHAN

MUNICIPAL ELECTIONS
December 6th, 1976
VOTING CERTIFICATES

If you are a Canadian citizen or other British subject, 18 years of age or on or before polling day will attain the age of 18 years and resided in the Town of Vaughan between September 7th and October 12th, 1976, or, having these qualifications, were a non-resident owner or tenant, or the spouse of a non-resident owner or tenant and your name was omitted from the List of Electors, you may PERSONALLY obtain a Certificate to Vote at the Town Clerk's Office, 2141 Major Mackenzie Drive, Maple, between:

- (1) 8:30 o'clock A.M. and 4:30 o'clock P.M. Monday to Friday.
- (2) 7:30 o'clock P.M. and 9:30 o'clock P.M. on Thursday, November 25th, 1976 and again on Tuesday, November 30th, 1976.

If you are a qualified voter on Election Day and your name was omitted from the Voters' List, you are eligible to vote, provided that you take a Declaration on the prescribed form before your Deputy Returning Officer in the polling subdivision in which you qualify, and that you satisfactorily identify yourself to the Deputy Returning Officer.

If you have become a Canadian citizen since October 12th, 1976, and resided in the Town during the period September 7th to October 12th, 1976, you may also PERSONALLY obtain a Certificate to Vote from the Town Clerk, if you provide certification of citizenship but you cannot take the Declaration mentioned above before the Deputy Returning Officer on Election Day.

F.G. Jackman,
Clerk,
832-2281

NOTICE OF POLL

TOWN OF VAUGHAN

Notice is hereby given to the Municipal Electors of the Town of Vaughan that an election will be held on

MONDAY, DECEMBER 6th, 1976

for the following offices:

Mayor (who shall also serve as a Member of the Council of The Regional Municipality of York);

Five Councillors (who shall serve on the Town Council only);

Two Members to the York County Board of Education. To be elected by Public School Electors; and,

One Member to the York County Board of Education. To represent the Municipalities of Vaughan, King, Aurora, Newmarket, Georgina, East Gwillimbury and Whitchurch-Stouffville. To be elected by Separate School Electors of the said Municipalities.

Every person shown on the Polling List of Electors for the Town of Vaughan will receive a notice of the location of the polling place in which he or she is to vote.

The polls will be opened for the purpose of receiving votes of the electors of the Town of Vaughan at eleven o'clock a.m. and shall continue open until eight o'clock p.m.

F.G. JACKMAN,
Clerk,
Town of Vaughan,
2141 Major Mackenzie Dr.,
Maple, Ontario.
832-2281

Leigh Neille needed a nursery.

Niagara said: Pink or blue?

Last month, Leigh Neille received an eight pound, three ounce baby boy, dozens of best wishes and a husband with a non-stop smile. What she needed was a nursery. Niagara thought so too. That's because Niagara knows a lot about peo-

ple's needs. We also know a lot about money. That's our business at Niagara. Mortgage money, money for a new car, money for home improvements, for your child's education, or, if you're like Leigh Neille, money to welcome the newest

member of your family. If what stands between you and what you really need is a thing called money, come in and sit down with the people you've come to know at Niagara. We know that one way to fulfill a need is to put money into action.

THE FLU.

This is how Ontario's no-cost flu protection program will work.

There could be an outbreak of flu in Ontario this winter. So your Province is recommending vaccination against both swine flu and Victoria flu for people age 65 and older, and people age 20 and older who have certain chronic illnesses such as diabetes, heart, lung or kidney disease. We plan to vaccinate them with one inoculation before the diseases strike — if they strike. There is no charge.

We are also offering no-cost swine flu vaccination to other people age 20 and older who want to be vaccinated. But no one will be required to accept vaccination — it is a personal and voluntary decision.

What these flus are

Both flus are caused by contagious viruses that spread directly from one person to another, just like the common cold. (Swine flu is not caused by eating pork.)

Swine flu is suspected of being similar to the 1918-19 flu which was responsible for the deaths of 20 million people world-wide, including 45,000 Canadians. Victoria flu was responsible for many deaths and illnesses as recently as last winter.

Symptoms

The symptoms are usually fever, muscle aches, headaches, chills and coughing. It takes one to three days from the time the virus gets into your system until you start feeling ill. The flu lasts two to seven days. With severe infections, flu can kill. Swine flu can kill within 24 hours.

Ontario's no-cost vaccination program

To ward off these two flus, Ontario's 44 local Medical Officers of Health will administer a province-wide vaccination program. Dates, places and times of clinics in your area will be announced.

Many of Ontario's 2,200 public health nurses will carry out the actual vaccinations. Some family physicians will be vaccinating their own chronically-ill patients. Your Ontario Government pays all costs.

Vaccinations will be given with traditional needles or with fast painless air spray injectors that shoot a light spray of

vaccine through the skin of the arm. The injector can be used safely for many years. Flu vaccination does not leave a scar.

Possible side effects for those who should be vaccinated

Most people will have no side effects from this vaccination. Serious side effects are rare, but they can occur — as with any vaccination. Minor side effects can include a sore arm, headache, fever and muscle aches, lasting one or two days. If these minor symptoms persist, contact your doctor. Protection through vaccination starts in about three weeks and will probably last a year or more.

Who should NOT be vaccinated

If you are allergic to chicken eggs, chicken or chicken feathers, don't be vaccinated at all, because the vaccine is made from chicken eggs and can cause a severe reaction. If you have fever, acute respiratory or other active infections, don't be vaccinated while you are ill. No one should be vaccinated for swine flu within 14 days before or after any other vaccination.

Flu vaccine will protect 80 to 90 per cent of those vaccinated — but there is no drug or antibiotic to cure flu, so vaccination is desirable.

For further information about the flu vaccination program, contact your local public health unit.
