How to Keep
More of Your
Money
If you're expecting income in a
lump sum (say, from a registered
pension plan or a deferred profit
sharing plan or as a retiring
allowance) you can expect to be
taxed in a lump as well! Sobering
thought isn't it!
Besides, wouldn't a life income be
more useful to you than a lump
sum?
You can kill two birds with one
stone - convert the lump sum
into a life income and save a
bundle in taxes now, by using Sun
Life's transfer of funds arrange-
ment. The lump sum the taxman
didn't get will be put to work for
you, and you'll be taxed only as
the income is paid.
Give me a call. Let me show you
how small that tax lump becomes.

THE RELAXATION MACHINE!

The electronic marvel of tomorrow is available to help you live better today. Mind-machine communication can lead you to a totally new sense of awareness, a harmony of mind and body usually reserved for those people willing to dedicate themselves to years of training. We not only offer a full money back guarantee if you are not satisfied, we also think the potential of biofeedback technique is so great in other areas besides stress control, weight loss and meditation that we offer a cash incentive for those persons willing to assist us in our followup research program. If you wish more information about biofeedback just send us your name and address. For those of you already aware of the benefits the price is only \$59.99 which includes packaging and delivery by insured mail. It would also make a useful and unique Christmas gift if you act quickly. Send your cheque or money order to: Bio-Electronics, P.O. Box 2208, Station "P", Toronto, Ont. Please include Provincial sales tax.
