

Scholarship funds offered

AURORA — A cheque for \$18,476.04, to be used to provide four annual awards to Thornhill secondary school students, was presented to York County board of education last week by

Mrs. W. Stanton Schoeler, widow of the late W. Stanton Schoeler, 46, former corporate vice-president of Kinney Shoes of Canada Ltd.

The money was raised

by more than 160 employees, friends and associates of Mr. Schoeler, a native of Saskatchewan, who started the Canadian offshoot of Kinney Shoes in 1965.

Until his death in February 1976, he lived with his family in Thornhill. The money is to be held in trust and invested by the board. It is expected to bring a return of from

\$1,500 to \$1,600 annually, which will be used for four scholarships of equal value, two each for graduates of grades 12 and 13, respectively.

The scholarships will go to students, who have participated in school activities, are able to work with others compatibly, and who have good academic records. They must also have obtained honor standing in their final year and have registered for post-secondary studies.

All for one and one for all - How true? Have you been pushed aside and forgotten? Are you just another statistic and no longer a person? The need has never been greater for us to be treated as individuals not just as one of the group. Gord's policy is one of an open door as well as an open mind. You the individual as well as any ratepayer group will always be heard when Gord Rowe is elected mayor.
