### Versatile artist in library show

**Correspondent Donna Matthews 832-1579**  
 KING — A Christmas treat is being prepared for the patrons and friends of King Township Public Library. It is an exhibition of the paintings and ink sketches of watercolorist Jean Skoggard, which show a unique blend of Canadian and Chinese art. Everyone is invited to the opening at the library at King City on Thursday from 7 to 9 p.m. The show will continue until Jan. 8. Jean Skoggard is a resident of King Township. She began her training at Central Technical School and has studied under many distinguished artists, including Peter Haworth, Carl Schaefer, Charles Goldhammer and

other volunteers who gave so willingly and helped to send us \$400. over the \$1600 objective. One of the ways in which the monies are spent is on fellowship grants to train "rheumatologists". Canada is one of the leaders in arthritis research and perhaps will be the first to make a "breakthrough" toward a cure.

 The Maple Branch of the Cancer Society would like to thank all who contributed their time and efforts towards

making the Pub Night with The Pig and Whistle Gang a big success.
