

# These shoppers don't pay any more, anymore.

Careful shoppers know that other chains entice you with specials, then make up what you can save by charging higher prices on all the other things you need. Careful shoppers like Dominion's pricing policy. It says Dominion's prices will be as low as or lower than those at other major food chains. Plus specials on the most popular items. It all adds up to overall savings for Dominion shoppers.

**Marietta Meredith**  
"My average weekly saving approx. \$3.00 at Dominion."
