**ENGINES INSTALLED**

With the increased cost of new vehicles today, more and more people are discovering that Engine Replacement often pays. We at Canadian Tire Corporation, Richmond Hill, are fully equipped to install high quality Motomaster, remanufactured Engines for all North American built cars and light trucks.

**GUARANTEE** When installed by our professional staff Motomaster Remanufactured Engines (with heads) are guaranteed against manufacturing and material defects for 12,000 miles or 12 months whichever occurs first. Engines less head or for other than normal passenger car use (i.e. light trucks or commercial vehicles) are guaranteed for 4,000 miles or 3 months, whichever occurs first.

If you would like a full cost estimate on replacing your engine, please call Jim at 884-1196 for an appointment. We service all makes and models of cars.
