

United Appeal gets boost

AURORA — The York Region United Appeal is back on York County board of education payroll.

Provision would be made in the 1977 budget for administering costs of deductions.

should be able to give \$50 or more to the UA through weekly deductions.

Donald Cousens of Markham moved the matter be deferred so staff could work out the costs.

Vaughan's Donald Cameron said the board had a responsibility to support the UA and shouldn't defer it. The motion to defer was lost.

The same amount would be difficult on an individual basis, however.

Trustee Eric Baker of Richmond Hill, said supply teachers wouldn't be identifiable as permanent teachers at the time of the fall campaign.

The board approved its return following a motion by Markham's Doreen Quirk that it allow board employees to contribute to United Appeal through a system of payroll deductions.

The board decided against the payroll plan last year.

Mrs. Quirk said the board was the largest employer in the County — 6,000 employees, including night school and supply teachers — and

Rabbit Transit.

When it comes to getting around town it's hard to beat the Volkswagen Rabbit. It zips in and out of traffic with effortless ease. It fits small parking places that others have to pass by. And it does it all on 30 miles to the gallon in the city. (Or up to 45 MPG on the highway!)* So if you'd like to be your own transit company, come in and test drive the Volkswagen Rabbit.

*Results obtained using Transport Canada approved test methods with standard four-on-the-floor transmission. Mileage will vary depending on how and where you drive, optional equipment and condition of your car. Certain features illustrated are optional or extra cost.
