Talk on other worlds

THORNHILL — Bob McDonald of the Ontario Science Centre will discuss the scientific approach to life on other worlds, Wednesday, Mar. 23, at 8 p.m. in the auditorium of Thornhill Community Library.

Kiwanis scholarship winner

GORMLEY — David Nelson, 14-year-old son of Mr. and Mrs. Harry Nelson, won the Arnold Angus Scholarship donated by the Kingsway Kiwanis Club at the recent competitions at the Kiwanis Music Festival in Toronto.

David had much stiffer competition this year as he had to compete in the intermediate and senior classes.

He won first prize in the Haydn Sonata in D flat for 18 years and under, and third prize in the Beethoven Class for 21 years and under. He placed fourth in some other classes. We feel David deserves a great deal of credit for such fine results among the older competitors.

Public speaking
Kelly Benson won the trophy for the public speaking contest at Jefferson Public School.
Cathy Nelson, daughter of Mr. and Mrs. Harry Nelson, won the public speaking contest for Grades VII in Crosby Heights Sr. Public School. She spoke on the hazards of tobacco and smoking.

How to Keep More of Your Money

If you're expecting income in a lump sum (say, from a registered pension plan or a deferred profit sharing plan) or as a retiring allowance, you can expect to be taxed in a lump sum as well. Sobering thought, isn't it!

Besides, wouldn't a life income be more useful to you than a lump sum?

You can kill two birds with one stone — convert the lump sum into a life income and save a bundle in taxes now, by using Sun Life's transfer of funds arrangement. The lump sum the taxman didn't get will be put to work for you, and you'll be taxed only as the income is paid.

Give me a call. Let me show you how small that tax lump becomes.
