## Ouch!

They're just working out. Steve Penyige, top, is shown throwing Joey Toule in workout at Thornhill Budokai Club. Penyige, of Maple, won a silver medal and Toule a gold medal at recent Mexico youth judo tournament.

## Deb Berger breaks own long jump mark

THORNHILL — When Saul is also the head you set a provincial instructor at the Optimist record for novice long club of which Debbie is a jump there's only one member. He also place left to go. Higher.

That's what 10-year-old Debbie Berger of Thornhill did at the Scarborough Optimists Track and Field Club's first annual invitational indoor meet at the CNE's South Industries Building.

Debbie bettered her member of the Scarborough club for three years and said her goal is to reach the Olympics.

Naturally, it was her father, Saul Berger, who organized the meet which saw 188 runners and jumpers attending from 17 Ontario track and field clubs.

**RICHMOND HILL** — The arrival of spring off turns a young track and field athlete into a road runner.

It's also the time for the appearance of organized road racing competitions.

In past years, lanky Fred Robbins of the Richmond Hill Athletic Club has been left alone to carry the green and white in these competitions.

But judging from Saturday's races in Toronto he may have some local help.

**Spring races**  
Richmond Hill was well represented during the "Spring Road Races" in High Park with one Midget runner, three Juvenile, and two Senior entries.

All but one of these runners were competing due to the encouragement of Fred Robbins and his great interest in the activity.

Midget Steve Charles ran a respectable 13.17 time for the two and a half mile race for runners under 16 years of age. The three mile juvenile event,

under 18 years, had Rick Thompson recording a 17.58 time, Martin Stringer a 16.56 and Peter McClelland a 17.28.

**First race**  
It was the first road race in Toronto competition for these competitors.

In the open, or senior level, coach Fred Robbins and Joe Watson competed in the five and three quarter mile grind with Robbins recording a 30.22 time, and 39-year-old Watson a most respectable 36.41.

**Encouraging**  
The appearance of the five local runners in the

road racing program has been "most encouraging" to coach Robbins.

It's expected that Graham MacDonald of Richmond Hill and Bill French of Maple will compete with the others in the North York Road Racing championships.

**Training**  
The RHAC opens its spring training program tomorrow evening (Thursday) at Richmond Hill High School gym at 7 p.m.

The weekly coaching sessions will be supervised by club coach Bob Thompson.

## Richvale Harvey boys win peewee championship

**RICHVALE** — The Richvale Harvey Peewees lost the game but won the championship in the third and final match of their playoff series with Richvale W & P Motors.

The motor-boys won 5-3 but the series was tied 5-5 at regulation time on total goals to count.

A scoreless 10 minute overtime followed with the verdict finally going to Harvey's who had more shots on goal.

Scoring for W & P Motors were Matt Hazjan and Luciano Roman with two each and Marek Kaszuba getting a single. Assists went to Hazjan with two and Tim Stevenson.

**2 for Mettle**  
Steve Mettle led the winners with two goals with the other one going to Craig Wolfington. Assists went to Frank

Paolini and Joe Balisteri. The ending was fitting because both teams were neck-and-neck all season long.

**Atoms**  
Other championship action saw the Richvale Herron Sales and Service Atoms downing Richvale United Drain 4-2 in the third and final game to win all the marbles.

**Engel gets 3**  
Leading the Herron's offensive was Pat Engel with a big three goals with Ramo Caranci getting the other one. Assists went to Mike Oldham, two, and Joost Sajet.

For United it was Savoye from O'Brian; and McGlukian from Schieblhofer.

**General meeting**  
The Richvale Minor Hockey Association will hold its general meeting April 12 at the Hillcrest Mall (upstairs) at 8 p.m.

Changes to the constitution must be submitted to the executive 10 days prior to April 12.

The executive would like to thank the coaches, conveners, managers, referees, and all the people that worked so hard this year.
