

Bayview wins TV quiz final

RICHMOND HILL — Bayview secondary school's Reach for the Top team recently won the Barrie Regional Championship at CKVR Channel 3, enabling the team to advance to the provincial finals in Windsor.

In the championship game, Bayview's team, consisting of Lorne Farr, Vernon Stringer, Alan Tambosso and Paul Tomkins, defeated a strong team from Central Peel secondary school, thus eliminating them from further competition.

A team must win every game it plays in order to advance. Last year this same team from Bayview was eliminated by Central Peel, which later went on to win the national championships.

For winning the regional championship, each member of the Bayview team received a \$500 scholarship for a summer session at Wilfrid Laurier University in Waterloo, as well as a digital watch.

Each team member also received a different book every time they played a game. Bayview won four games before meeting Central Peel in the championship this year.

Winning the championship means that of the original 32 teams invited to participate in the Barrie tournament from all around the CKVR viewing area, only Bayview remains.

The CKVR viewing area represents eight different educational jurisdictions similar to York Region.

At the end of April the Bayview team will go to Windsor to meet the winners from the other 10 CBC affiliates from all across Ontario, in the provincial championships.

Only one provincial champion will be chosen from among the 11 schools.

But two teams, one from Southern Ontario and one from Northern Ontario, will advance to the national championships.

The nationals are being held in Calgary this summer.

The coach of the Bayview team is Neil Graveson, a languages teacher at Bayview.

He spends much of his spare time organizing the team and setting up practice games. He will accompany the team to Windsor.

Lorne Farr, 18, lives at 430 Marybay Crescent, and is in his fourth year at Bayview. He is the son of Mr. and Mrs. Edward Farr.

Vernon Stringer, 17, is the son of Mr. and Mrs. Ramon Stringer of 78 Tormore Dr. Vern is also in his fourth year at Bayview.

Alan Tambosso, 18, lives at 30 Sussex Ave., and is in his fifth year at Bayview. He is the son of Mr. and Mrs. Bruno Tambosso.

Paul Tomkins, 19, is the son of Mr. and Mrs. Ken Tomkins of 448 Fernleigh Circle. Paul is also in his fifth year at Bayview.

Until last year, Bayview had only ever won one game on Reach for the Top. Last year the team won two games before Central Peel defeated them.

So far this year they've managed to win five games. Here are the scores from those games:

GAME 1: Bayview 330, Westwood 190. GAME 2: Bayview 345, I.E. Weldon 165. GAME 3: Bayview 255, Penatanguishene 240. GAME 4: (semi-final): Bayview 340, Orillia Park Street 320. GAME 5: (final): Bayview 285, Central Peel 245.

The final two games can be seen on CKVR Channel 3 on Wednesday, April 20 at 7:30 p.m., and Wednesday, May 4 at 7:30 p.m. respectively.

The provincial championships will be carried by the CBC all across Ontario during May and June.

Quilt with a story to tell

Any children who get this quilt won't need a separate story to put them to sleep; it's all there on the quilt. The quilt will be raffled off at a treasure and trivia sale at Richmond Hill Lions Hall, Centre St. E., May 4.

Looking over their handiwork are Edith Burnfield, left, of Harding Blvd., and fellow quilt maker, Phyllis Miller of Gamble Sideroad. That fancy stitching was done by ladies from the Presbyterian Church.

Better business television repair

RICHMOND HILL — The Better Business Bureau of greater Metropolitan Toronto, with complete files on 58,000 businesses, has announced its intention to enter the field of television repair.

Executive Vice-President Paul Tuz reports a business sector panel will be established especially for the television repair industry — a move brought about by recent outcries of consumers and the media.

Tuz said such a panel would be far more effective than any set of government regulations.

Only one call

David Barrow, president of the Richmond Hill Chamber of Commerce, told The Liberal there was only one television-related call received by the chamber in the past two years.

"It's unfortunate when consumer complaints with business need to be referred to a third party," he said, adding he felt a York Region Better Business Bureau "would probably be a good idea. It's healthy to have something like that."

No plans

BBB Vice-President Tuz, however, explained there were no plans to establish a York Region branch. "We operate there now," he said.

"In fact, from 12-15 per cent of our calls come from the York Region bedroom community."

According to Mr. Tuz, it would be impractical to duplicate the BBB's massive files for offices within the same calling area.
