

Magna midgets 'way out west'

The Richmond Hill Magna Midgets found the going slightly tough at the annual City of Brandon Centennial Hockey Tournament way out west.

They lost all three of their games to higher-level classification teams. This saw an 11-1 loss to Winnipeg, 10-2 to Brandon, and 5-4 to Saskatoon Aces in overtime.

Magna coach Cam Smith took the losses philosophically.

"I was impressed with the calibre of play in the tournament," he said.

"I haven't seen all the midgets play yet," he

said after the opening game loss to Winnipeg, "but this team is certainly the equivalent of our Triple A teams... but maybe not 10 goals better."

Smith said it was his understanding that the tournament was for second division-type teams. Richmond Hill falls into that category.

Un-ruffled
Stiffer competition notwithstanding, the loss didn't seem to bother the coach that much. "I'm sorry we didn't play a little better, but..."

He believed that regardless of what happened, as long as his players try to be com-

petitive the trip was a success.

Winnipeg River East 11, Richmond Hill 1. Magna was never in this game against the River East front-running triple A equivalent club.

Nervous
The nervous Magnas surrendered a couple early goals and never recovered.

Lone goal came from the stick of John Burnett from Jim Wood and Jim Burnett.

The Winnipeg team was the eventual finalist in the A division losing out to Edmonton Don Wheaton by 7-5.

Brandon 10, Magna 2.

The score wasn't indicative of the play with the game actually tied 2-2 at the end of the second period.

Richmond Hill was caught by several bad calls and really fell behind in the final period. They also skated into several foolish penalties which proved to be very costly.

Magna goals were scored by Andy Beckwith from Dan Moore; and by Jim Burnett from Wood.

Saskatoon Aces 5, Magna 4. Magna came up with a fine effort against this all-star Double A team only to lose in overtime. Saskatoon went on to be the consolation

champions. The teams were evenly matched and the score was tied 1-1 at the end of the second period.

Magna came out flat in the early minutes of the third and Saskatoon took advantage of the situation to score three quick goals and lead 4-1.

Tie it
Magna fought back with three goals by Mark Gossman to tie the game and send it into overtime.

Then came the 6:20 mark of the overtime and a Saskatoon goal resulting from a pile-up in front of the net.

The conclusion of each game in the tournament

saw the selection three stars. The last game saw Mark Gossman picked as number two star.

Magna's other goal was scored by Dale Banton. Assists went to Dan Moore, Mark Gossman, Dale Banton, Andy Beckwith, two, and Jim Wood, two.

Members of the team expressed their appreciation to all who assisted them in making the trip, particularly Win-Ontario for its grant, sponsor Magna International Inc. for financial assistance.

Also to those who turned out for the club dance and to the following

firms for donations: Kinneer Pontiac Buick Ltd., Wilson-Niblett Motors Ltd., Inter-Tee Printing, Morgan Davis Printing, Jack Thwaites and Micro Metallurgical Ltd.

ADVERTISEMENT LINES AND WRINKLES

By MARY KAI LUA
Cosmetic science has extracted a skin beauty substance from the bean of a tropical plant that works wonders by making rough, lined face and dry chapped hands look years younger fast. Use it tonight and you should see vast improvement in the morning. Many small lines around the eyes and mouth may already have disappeared and wrinkles you have given up as

hopeless should start to vanish in a few days. But that isn't all. That discouraging weather-darkened old-age skin tone fades away. But don't take my word for it... use this exciting substance yourself for 7 days... satisfaction is guaranteed or return for refund. It's the tropical nut extract that works wonders for wrinkles and lines. It's called Cocrema Dry Skin Creme.
