### Open the windows

Open the windows of someone's soul. "You can give the gift of sight to a blind person by donating your eyes," says Anne Wolf, Executive Secretary to Canada's Eye Bank.

"Although 351 people received sight restoring corneal transplants last year, there are a great many people still waiting."

Ms. Wolf will be guest speaker at the York Region advisory Board of CNIB's second annual meeting.

This group serves 174 blind people in the region.

The evening program (Thursday, May 19, 8 p.m., Newmarket Community Centre) will also feature a demonstration of the Optacon, an electronic device which transforms printed letters into tactile forms.

As well, a cheque will be presented by the Aurora Knights of Columbus — proceeds of their 16 hour dance-a-thon.

Everyone is welcome.

## Chris Sanderson wanted nothing more than to ride the waves.

## He got action. Niagara helped Chris set sail.

For years, Chris Sanderson ate, drank and slept sailboats. Other people's sailboats. This year, thanks to Niagara, Chris is at the helm of his own twenty-six footer. Niagara knows a lot about Chris Sanderson's wants. We also know a lot about money. That's our business at Niagara. Money for a new car, home improvements, mortgage money, money for your child's education or if you're like Chris Sanderson, money to capture the wind. If what stands between you and the things you really want is a thing called money, come in and sit down with the people you've come to know at Niagara. We'll show you how putting your money into action can put the wind back into your sails.
