

Thornlea tops in drafting

Thornlea Secondary School had five firsts, two seconds and one third in the annual York County Drafting Exhibition.

Thornhill Secondary School had five firsts, two seconds and one third and Bayview had one second and one third.

Girls won three of the first prizes, said exhibition chairman David Wallace.

Enrico Zapanta, a Thornlea student won both the architectural and engineering awards for grade 11.

The exhibition is on display until May 16 at the Hillcrest Mall. It was judged by a panel of architects, engineers and college teachers.

First place winners were Duhee Lee, Susan Rodger, Enrico Zapanta (two) and Joel Starkman from Thornlea, Steve Walker, Sue Jackson from Thornhill, Jan McKibbon from Markham and Gerry Pottage and Stephen Evans from Huron Heights Secondary School.

Youngest artists

Vera Lo, 13, and her brother Michael, 11, of King's Inn Trail in Thornhill will be two of the younger artists with work at Yorkminster United Church's 31st annual exhibition. They are

members of the Lansing Amateur Art Group, which will be sponsoring the affair. For more information, call Doreen Reynolds at 225-6971.

Parents given chance to shine

Parents are invited to drop in on classes at Thornlea Secondary School on four days next week.

Thursday has been ruled out because classes are disrupted by students picking their timetables for next year.

But on Monday, Tuesday, Wednesday and Friday parents are invited to come to school and sit in on their children's classes. They may go to the classes directly or go to the school office for directions on which class to visit.

Parents' night will be Tuesday from

7:30 to 9:30 p.m. There will be opportunities for parent-teacher interviews. (Telephone the school at 889-9696 for an appointment).

There will be presentations on department programs by the English and Science departments, a display of student art work and student art demonstrations and the band rehearsing in the cafeteria.

Parents of grade 8 students coming to Thornlea next year are particularly welcome.

Day draws 400

Nazneen Sadiq
Correspondent
881-4408

Multi-cultural week at Bayview Fairways Public School culminated in an ethnic fair on the night of May 4th.

Attendance at the function topped a record high as an estimated 400 people thronged the school.

International booths organized by parents featured food, drinks and craft items of other lands. Simultaneously the students entertained visitors with musical and dance presentations in the classrooms.

Sampling of varied foods and drinks was hugely enjoyed as 500 cups of mango juice and platters of popadums and home-made italian sausage disappeared at an alarming rate.

The expense of food and beverages provided were the personal contributions of the parents, however a collection box set up with the hope of defraying some of the expense netted \$50.

The still night air was pierced by the notes of the bagpipes played at the school entrance.

The parent's booths, a community effort, were organized with the hope of drawing out the more reticent parents to the school.

Death

Is it a voidless finality or is there life after death? Do the dead know what is happening in this world? Do they retain their sense of hearing, sight, smell, taste and touch? The answer will be presented during the 'It Is Written Prophecy Crusade'. Don't miss a single meeting! Different subjects nightly. No meetings on Wednesdays or Thursdays.

In Richmond Hill, from May 7 to June 11
Lower Hall, St. John's Anglican Church,
12125 Yonge Street
Nightly 7:30 to 8:30
Free Nursery Provided!
