Grants give summer jobs

Federal grants of \$13,824 will provide eight summer jobs in the Richmond Hill area.

Of this, \$5,760 will go towards arena renovations in Bond Lake.

Four students will replace screening, remove and repair boards, paint seats, and paint the east wall. If time permits, they will do some painting for the old and new arenas in Richmond Hill as well.

The remaining \$8,064 will provide an opportunity for up to 60 children to learn about gardening and develop an interest in nature.

They will be instructed and supervised by four students at an unused farm owned by the town.

The monies are awarded by the department of manpower and immigration under the Young Canada works program.
