Emma Masters is 80

Mrs. Emma Masters, a Richmond Hill resident for 55 years, celebrated her 80th birthday May 17, and several parties were held in her honor.

One was a surprise family re-union dinner at the Nottawasaga Inn in Alliston, where her two daughters, grandchildren and great-grandchildren and their families gathered and enjoyed a scrumptious smorgasbord and birthday cake.

On Thursday the Elmwood 'Over Sixties' Club met as usual for euchre at Elmwood Manor, and Mrs. Masters was honoured again. She was presented with a birthday cake and a sterling silver jubilee dollar as a token of appreciation for her work with the club.

Many happy returns, Emma!

BE A LOSER.

IT'S SO EASY: OR IS IT?

There are hundreds of diets and diet programs, thousands of books written by all kinds of experts on how to be a loser. And just as many clichés about diets as there are diets.

If you compare one diet with another you will find almost all agree on one important area, the body has to have some sort of nutritional supplement.

So, HN Dietary Plan was designed and developed to supply the nutritional supplement necessary while on a diet.

POUNDS AND INCHES.

If you want to lose pounds and inches fast, safely and simply, the HN Diet Plan is a sensible and natural way to approach weight reduction.

RESEARCH.

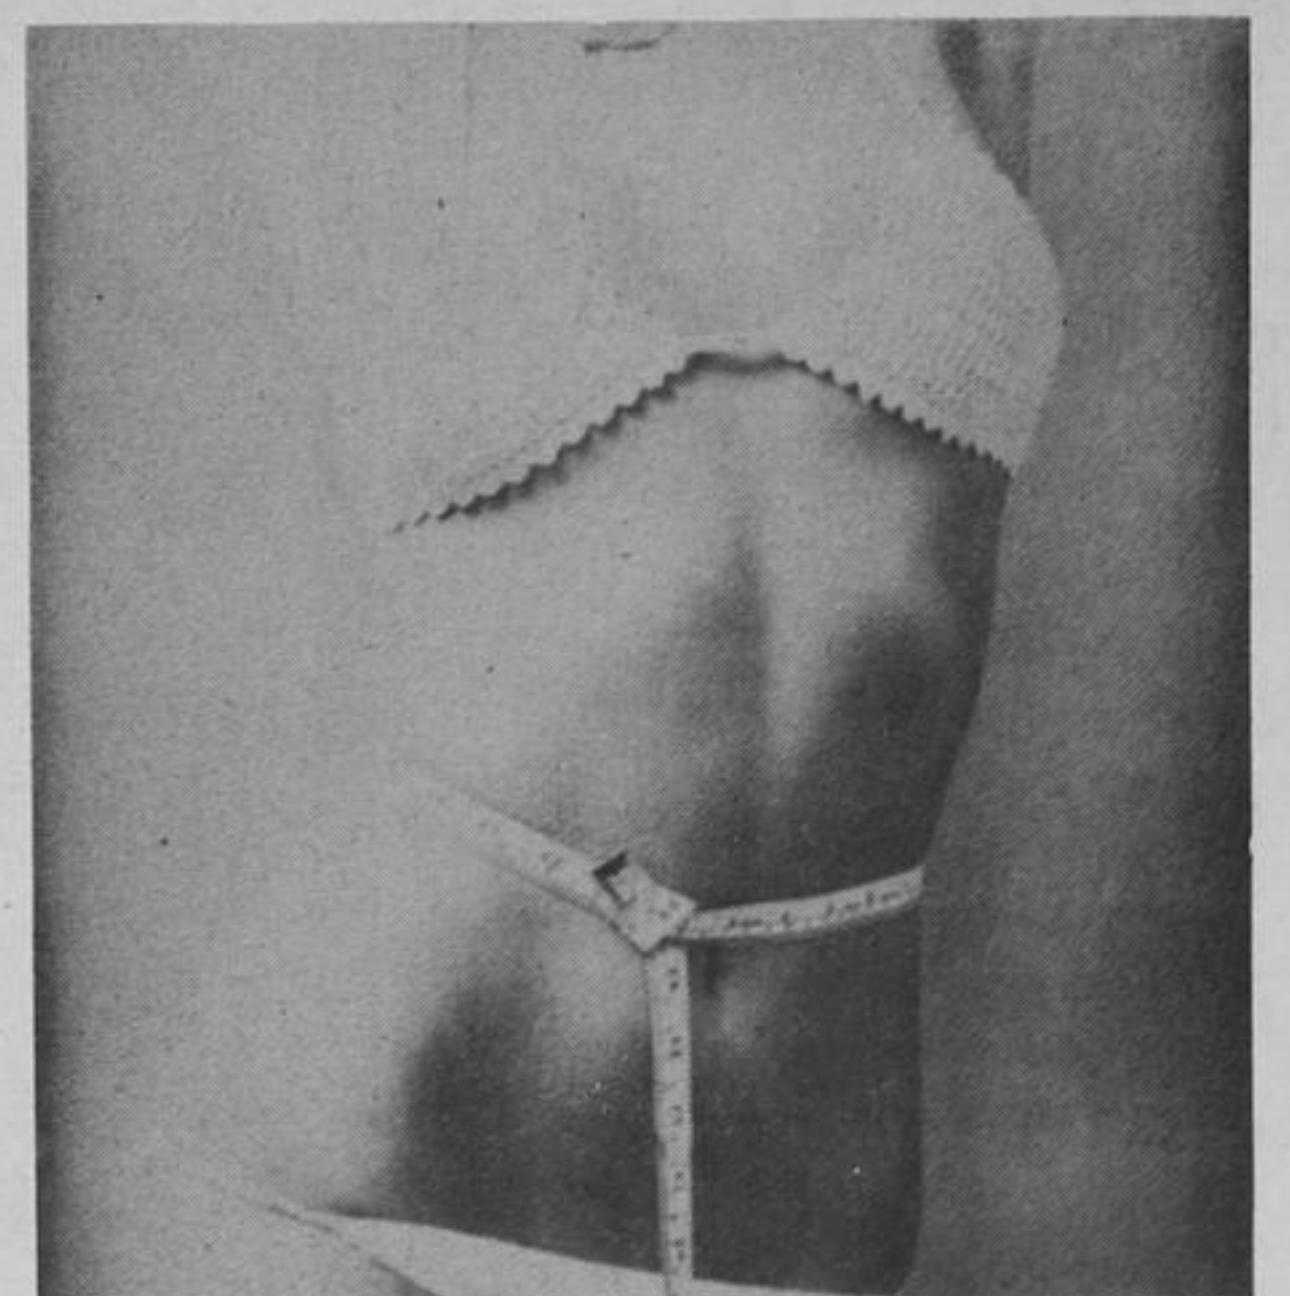

After years of research the HN Dietary Plan was developed in consultation with Dr. A. V. Rao, University of Toronto. The Plan was formulated for weight reduction and it also maintains and supplies a nutritionally balanced intake to ensure good general health while on the diet.

ONLY 141 CALORIES.

HN has a low calorie content. Low in fats (0.2%), and carbonyl dries (0.2%), high in protein (86%). HN supplies the key vitamins and minerals that make HN a perfect dietary supplement. Researched and proven effective, the HN formula allows you to lose the desired pounds and also helps you maintain the weight you want to be.

LOSE WEIGHT AND ENJOY BETTER HEALTH.

Whether you're just a few pounds overweight or a 100, you owe it to yourself. It's easy to do. At breakfast and lunch just mix the contents of one pouch with skim milk or unsweetened juice to replace both meals with an HN meal. Flavor extract can be added to taste so the HN meal tastes just the way you want it to. The HN Dietary Plan then recommends you enjoy a nutritionally balanced regular dinner of your choice every night. The HN Dietary Plan makes you feel healthier, more energetic—the person you want to be. Start losing—be a loser now!
