Club notice boards filled with events

The notice boards of the club house which are separated into the different activities of junior, club and tournament fixtures are completely filled with a large number of events for every class of player.

I counted posted notices for seven Junior tournaments, ranging from national to local events and 11 senior fixtures.

Members who are interested in competitive tennis should make a point of being through these notices which are planned to accommodate almost every calibre of playing ability.

The York-Simcoe mens doubles and ladies singles take place on Sunday July 11 at Crosby Park.

This is a most popular event and attracts men and women from many areas surrounding Richmond Hill. The play is continuous and the complete tournament is finished in the one day.

Spectators are welcome and the club house is relatively spacious, seating a large number of people.

Spending a Sunday watching some of the best players in the north-central region competing for what is usually a thrilling final can be a very pleasant way of enjoying a summer day.

The singles handicap tournament is scheduled for Saturday, July 23, again at the Crosby Courts.
