

Noise seems louder on the hot nights

OAK RIDGES — On a hot muggy night, one of the major problems we all face is getting to sleep. You add a few young people and their souped-up cars using Yonge St. in Oak Ridges as a drag strip at midnight or later, and the problem becomes a nightmare.

Trying to see who can peel out of the Burger spot parking lot and squeal their tires the loudest and the loudest

seems to be the big game every summer. At that time of night, the noise carries quite a long way and has awakened many an adult, not to mention the little children and babies.

York Regional Police have been called on countless occasions, but as soon as they leave, the racket starts all over again. If not that night, certainly the next night.

OPEN HOUSE
Fred and Bernice Carruthers, long time

residents of Oak Ridges, are finally realizing a long time dream of moving to Alberta.

Before they leave, son Dave and his wife Lorrice of 31 Lake Ave. are holding an open house. All the Carruthers' friends are invited to drop in between 2 and 4:30 p.m. and after 7 p.m. on August 6 to say 'hello' and to wish them a fond farewell.

SPANKIN' GLEAN
Every summer, Bond Lake Arena gets a major

clean-up after the hectic winter sports season. This summer, the clean-up crew has gone a bit further. The paint work has all been changed to a beautiful cream and orange, making everything nice and bright.

Almost all the boards are being replaced around the ice surface. They are being freshly painted and a new synthetic kickboard is being installed for ease of maintenance.

Some of the protective screens are being replaced with plexi-glass for greater safety.

Of special interest to many, will be the extra large viewing windows in the lobby that are being installed with a special tempered glass.

This fall, when you first start to use the arena, you will find it much brighter and safer.

ST. PAUL'S
The church will be closed during the month of August. If you need a

minister during the time that Rev. Knill is away, please call Rev. Bob Shorten of Richmond Hill at 884-1301 or at home at 884-2551.

You may also call Rev. Morar Murray-Hayes of St. Matthew's United Church at 884-3606.

There will be no Vacation Bible School this summer.

BRETHREN IN CHRIST
The Church School picnic will be held August 1. The buses will leave the

church at 10 a.m. bound for Midhurst Park.

If your children will be there without a parent, there is a special consent form available at the church that must be signed.

Everyone is welcome to join in the fun. Each person or family must bring their own lunch. Drinks will be supplied and the admission to the park will be paid by the church.

The buses will be returning to the church at

about 4 p.m.

SENIORS
The Wheelhouse Club is open all summer for those members who would like to drop in for a social afternoon. Why not give some of your friends a call, and arrange to meet there for a cup of tea and a visit?
