

Domik shuts out Oliver

A fourth-inning blue-darter home run by Marty Tweyman was all that Richmond Hill Dynes Jewellers' big Bob Domik needed Thursday night against John Oliver.

Domik was at his steadiest best as the league-leading Dynes Jewellers bested their second-place rivals in a Beaches League Fastball game at Richmond Hill Town Park 2-0.

He allowed only two hits during the nine innings while striking out five batters and walking two.

Batting him most of the way was John Oliver's Al Cowan who came within a long foul ball of tying the ball

game in the ninth inning.

Long foul
Cowan, who allowed only five hits, latched onto a Domik offering with a man on first base but sent it high and far and very foul over the right field fence.

The game was over when he flew out to right field.

Richmond Hill's second run came in the eighth inning with two men out as designated hitter Brad Gaul lined a single to right field.

advanced to second on a sacrifice and to third on an out.

He languished there as Domik struck out the next batter.

It was announced during the game that the All-Ontario champion Oshawa Merchants had selected Dynes' Domik as one of their two additional pick-ups for the Canadian finals in Hull in late August.

The Jeweller's won't be at home for their usual Thursday night game this week. They'll be in Oshawa going against the Oshawa Merchants.

Handicap no handicap at Hill tennis club

By ERIC HANDBURY

richmond hill tennis club

One of the most popular competitive events of the year — the Handicap Singles — was held Saturday at the Richmond Hill Tennis Club.

The weather, if not the play, was reminiscent of the 1976 Wimbledon championships.

Most of the competitors played six or seven matches before succumbing either to the heat or the superior skills of their opponents.

To those not familiar with Handicap tennis at Richmond Hill, the object is to reach the score of 21 first. Handicaps are given out, some people starting at zero with others as high as 16.

No hacker

Usually this has the tendency to weed out the good players allowing the hacker to have his moment of glory at least once during the year.

On Saturday, however,

Ladies' rec. softball

Halfway House maintained its lead in the Richmond Hill Ladies Recreational Softball League last week by downing Brian's Shell 9-4.

Durkins BP literally exploded to a 32-19 victory over Raypak Thermionics. An exhibition game saw Metro Ambulance edging Ladies Allstars 18-16.

Standings: Halfway House 10 points (5-1); Brian's Shell 8 (4-3); Durkins BP, 4 (2-4); Raypak Thermionics, 4 (2-5).

players like myself, with handicaps far greater than points, fell to the best-seeded players and the final games were more like the full-blooded singles championships.

The event was won by John Marais who defeated strong-playing Ross Rae by a narrow margin. Marais organized the day but if anyone may be suspicious concerning the handicap selections it should be noted that John was playing from a zero position.

Team named

The North Central Region team for the Ontario Summer Games has been selected and will be captained by Mike Bryson of Newmarket. The event will be held in Waterloo this year. Each team consists of eight players chosen from all clubs throughout the region taking a part in four men's singles, four women's singles, two men's doubles, two women's doubles.

Local players

Of interest to Richmond Hill will be that three of the players, June Beck, Mark Girdler and Julian Handbury, are all members of the Richmond Hill club.

In the past the event

has usually been won by highly formidable teams made up for the most part from private club Ontario-ranked players.

High hopes

This year, however, the North Central team has high hopes of occupying the championship position. Dates are Aug. 26 to 29.

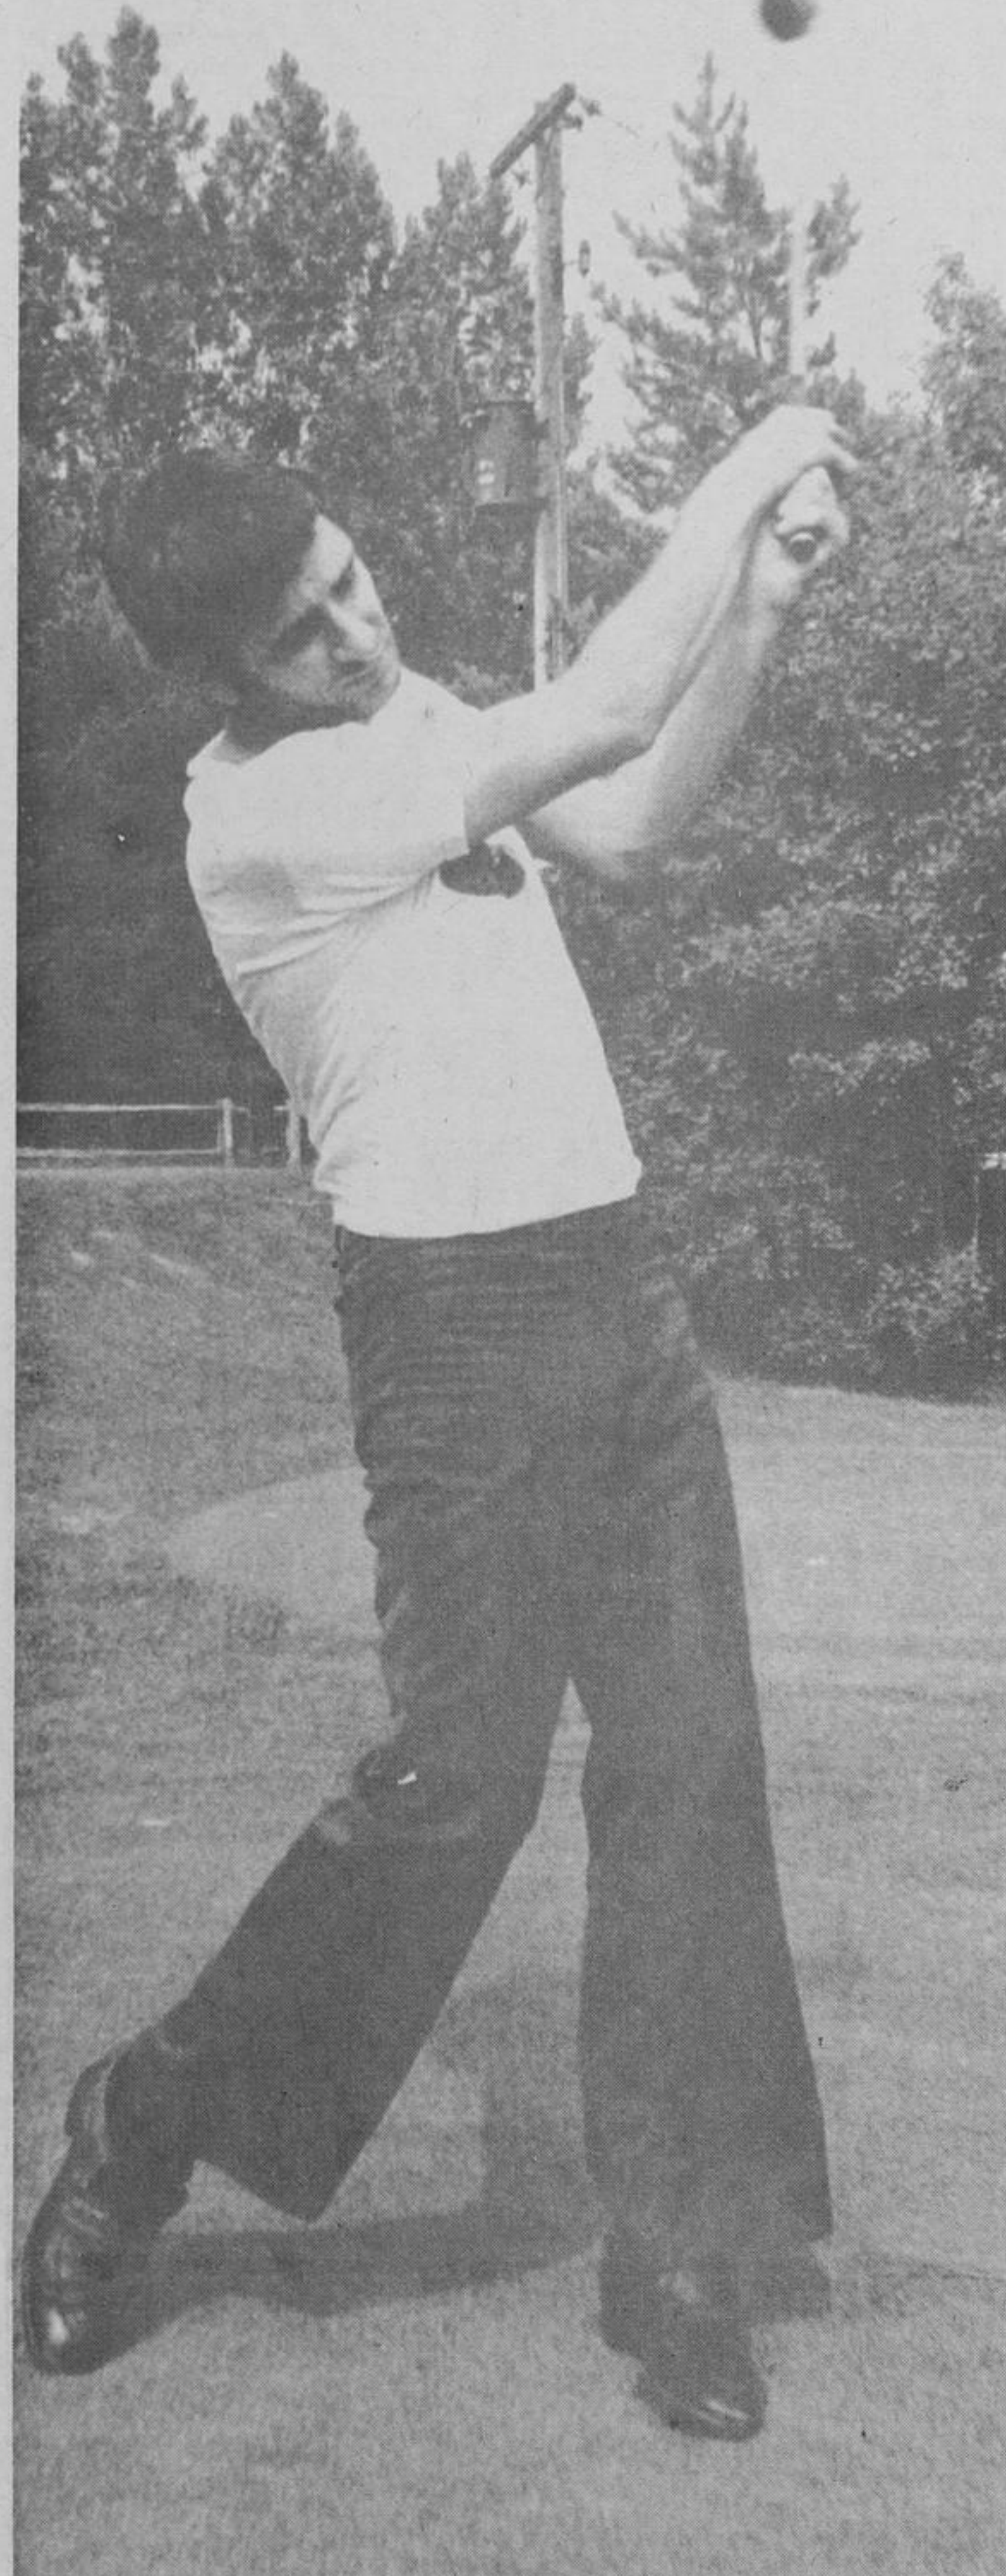

An executive meeting will be today (Wednesday) to decide on the dates for the end of the year club championship. Members intending to enter should watch the notice boards for entry forms during the coming weeks.

The house league events are still continuing and, because of my mercenary interests, I would suggest that some extra effort is required from Bill's Bullies team which may have to resolve in the end to little else than a few dubious line calls.

Weeping

For the curious people who have been wondering what the trenching work is that has been happening around the Crosby courts, I would advise it is not work connected to the erection of a bubble enclosure.

Rather, it's a surrounding ditch for weeping tiles which will prevent the seepage of water under the courts and provide a much more stable base for the long-awaited resurfacing.

It's easy

Gerry Hambly of Richmond Hill shows the style that got him his first-ever hole-in-one recently at the Don Mills Country Club. It

wasn't easy. He looked all over the fairway before checking the cup. Sure enough it was in. See B-1 for story.
