## United Way proclaimed by Region

October will be United Way Month in the Region of York.

York Regional Council last week gave approval to the United Way of York Region's request for the designation, as well as approving three other requests from the group.

These included: flying the U.W. flag for the period of the campaign from the flag pole at the regional offices, permitting the group to approach staff at their place of employment to support the campaign, and to advertise the campaign in all regional buildings; provide the region facilities to implement a payroll deduction program for those wishing to support it.

Said Mayor Margaret Britnell of King: "I'm against unilateral support. I just hope employees have the choice of returning their (pledge) card without pressure." Mayor Britnell was assured they would.
