

Dairy Queen Squirts in finals

The Richmond Hill Softball Association on a Dairy Queen Squirts finished their inaugural season in the Etobicoke

This contest saw the Hillers down 5-0 before they even had a chance to bat, but a seven-run rally

in the fourth inning propelled them into the lead for good.

Pat Thompson and Kevin McInnis both had two hits while Thompson smashed a triple.

McInnis was the winning pitcher going six and two thirds innings

allowing four hits while striking out 14 and walking four.

Richmond Hill finished up in first place which gives them a bye into the

league championship which they will open this week against Alderwood.

LOSE EXHIBITION The next night the Hillers travelled to

Markham for an exhibition game and again had a rough first

inning as Markham scored six times enroute to a 10-3 victory.

Richmond Hill's entire scoring resulted from a three-run homer by Pat

Thompson in the third inning.

Paul Howorth hurled

fairly well in relief as he gave up six hits and fanned six in his five

inning stint.

Glen Harding made a good catch in rightfield.

Italians win junior horse show

The Italian junior equestrian team captured the Junior International Jumping championship at Elderberry Farm, near Aurora, Sunday, scoring four clean rounds.

Australia, the United States and Mexico all came in with four jumping faults but placed second and third and fourth, respectively, on time faults. Canada finished last with eight faults.

Colonel Giovanni Buffa, the chef d'equipe for the Italian team was confident it would win.

"All my boys are excellent riders, they're good at improvisation which this sport demands," he said.

Shelagh Macpherson, 17, of Newmarket, won the individual award to a national rider, and the over-all award.

Also held at Elderberry was the last of three meets in the Derby Canada Series.

Jim Elder, gold medal winner in the Mexico Olympics won the Derby series, placing first in the

first two competitions and fourth yesterday on nine-year-old Raffles IV.

McInnis was the winning pitcher going six and two thirds innings

Two rode into sunset

Perhaps there weren't any tricycles lying around.

However, they only got a short distance away when they were picked up.

Police said that two young brothers, 11 and six, who ran away from their Markham home last week, got tired of walking after being away for more than nine hours.

In order to help them on their journey, they stole a "ride-on" lawnmower from the home of William Kedwell, 16th Ave., Markham, and headed off to the sunset.

Save electricity, save natural resources.

About a third of Ontario's electricity is generated by burning fossil fuels... coal, oil, natural gas. The price of all these natural resources is increasing rapidly. The price of coal, for example, has tripled over the last five years. Higher fuel costs inevitably show up in the price you pay for electricity.

Save electricity, and you'll save money. You'll also be helping to conserve dwindling natural resources for other important uses... transportation, agriculture, chemicals.
