

Lots of champs in Hill soccer

By JANE STEL

It was a great finale for Richmond Hill Minor soccer teams last Saturday with winners declared all over the place at Crosby Park.

All the boys and girls played extremely well in all divisions with all members of the losing teams to be congratulated on their excellent performances throughout the day.

The tight scoring indicated that the games could have gone either way.

Water Polo?

It could be water polo but it isn't. It's Monday night's Region of York District Soccer League playoff action between Richmond Hill Scholastic Publication Minor Bantams and Thornhill on a wet,

soggy field. Left to right: Maurice Del Fabro, Richmond Hill, Carlos Bravo, Thornhill, and David Snider, Richmond Hill, test the water. Richmond Hill won 2-0 and advance into the finals.

Smith boys eliminated 4-0

N.S. Smith Real Estate was in a do-or-die situation when they played Markham in a Region of York District Soccer League game last week.

They had to win. They didn't. Markham won 4-0 against a shorthanded Thornhill Major Peewee team and will advance further into the playoffs. The same Markham

team had finished in fourth place during regular league play.

Thornhill put their soccer boots away for the season.

MAJOR ATOM
 Thornhill's Costain soccer team kept its Cup Final hopes alive by eliminating King City 3-0. Michael Kohn scored to make it 1-0 at halftime. Then it was Stephen Moore and Jonathan

thornhill minor soccer

Davies tallying in the second half to round out the scoring.

Thornhill now meets Markham.

MAJOR BANTAM
 Thornhill Area Recreation Committee, in a must game, defeated Markham 9-4 to advance in the finals. They now play Richmond Hill tonight (Wednesday). Scoring for Thornhill were Mike Wyers with four, John Currie and Dwayne Harriott with a pair each and Austin Delaney. Thornhill scored three fast goals only to have Markham reply with two fast ones of their own and make the game close for

awhile.

MINOR PEEWEE
 York Extruder Manufacturing Co. could not put it all together in a must game against Aurora and lost 5-2.

Aurora advances to the Cup Final next Saturday. Scoring for Thornhill were Kevin O'Brien and Richard Djakovic. Thornhill tried its best but Aurora, who finished second in regular season play, proved too powerful and won it handily.

MINOR ATOM
 Another Aurora squad bettered a Thornhill team when The Wellington Place was dumped from future competition by a very close 2-1 score. Thornhill could only field nine players for the contest. Scoring for Thornhill was Kostaki Stamatakos. Danny Coady, Tim Baggs and Andrew Cumming all played well.

All goals were scored in the second half with Aurora winning with only five minutes to go.

MAJOR MOSQUITO
 Nunzio Ceramic Tiles lost a well-played contest to Aurora by 2-1.

Scoring for Thornhill was Greg McPherson who came up from the Minor Mosquitoes for the game. Pat Diliddo, Thornhill's goalie, Jason DeBoer and William Pryzdial each played outstandingly well for Thornhill.

HOUSE LEAGUE
SQUIRTS — SECTOR B
 DeLuca Dental Labs and Octagon Steak and Lobster House rounded out playoff action in the house league playing to a 0-0 score in a re-scheduled match. The game was called on account of darkness.

Louis Spadacini and Mark Klein played well for DeLuca and Octagon respectively.

Cup Final Day

The Region of York Inter-District Soccer League will hold its "Cup Final" Day next Saturday at the Bayview Reservoir and the adjacent Thornlea Secondary School field.

Play will get underway at 9:30 a.m. and will be continuous until the last game ends around 3 p.m. Refreshments will be available.

The schedule is as follows:

Squirts, 9:30, at Thornlea; Minor Atoms, 11:15, Reservoir; Major Atoms, 1 p.m., Reservoir; Minor Mosquito, 11:30, Reservoir; Major Mosquito, 9:30, Reservoir; Minor Peewee, 9:30, Reservoir; Major Peewee, 12:45, Thornlea; Minor Bantam, 11 a.m., Thornhill; Major Bantam 12:30, Reservoir.

The Region of York Inter-District Soccer League was formed at the beginning of the year and provides soccer at a competitive level for boys from 6 to 18 years of age.

It consists of 50 teams in 10 divisions from Newmarket, Aurora, Richmond Hill, King City, Markham, Whitechurch-Stouffville and Thornhill.

The calibre of soccer is high as evidenced by the fact that teams from the various clubs have done quite well in cup competitions and tournaments around the province and in international competitions. Recently teams from Richmond Hill, Markham, Stouffville and Thornhill gave very good accounts of themselves at the Mosquito level against the visiting Stella Club from Mexico.

QUESTION:
 How many miles to the gallon of gas will this car do?

ANSWER NONE
PEUGEOT 504 Diesel

Here's Why... Since 1923... It gets better mileage. In 1975 EPA Federal tests, Peugeot diesels got 35 mpg. in highway and 27 mpg. in city driving. A few small economy cars did that well, but no other car in Peugeot's class even came close.

SO...
 If you do a lot of driving you have a pretty good reason to consider driving a diesel, and Peugeots are a pretty good diesel to drive.

Come and talk to us about the other good reasons for driving a Peugeot.
