ASK US ABOUT OUR RED CARPET LEASE PLAN

The sun, rain, snow and salt could cost you money this year.

Maybe more, maybe less. But the odds are if your car doesn't have the protection of rustproofing, sooner or later, rust damage will reduce the resale value, or you will need expensive bodywork to repair rust damage.

Vital provides the protection your car needs to keep it looking its best for years. Both inside and out. Because the Vital system protects your whole car, parts you can't even see, the paint finish, even

the rugs and upholstery. We guarantee it for 5 years, and this guarantee is transferable even if you sell the car.

Give us a call or drop down. We'll explain how Vitalizing works to protect your whole car, and fill you in on our 5 year guarantee.

Vitalizing is more than just rust protection, its peace of mind. But hurry, it could save you a bundle in the long run.
