

Birthday winners

A few Hillcrest Mall shoppers came up lucky at the Mall's recent Third Birthday celebrations. They received a birthday cake and stuffed animal from Hillcrest Hare (that's the tall one). Winners included Mrs. Marilyn Higgins and daughter Lisa of Richmond Hill (both

seated); Mrs. Janet Johnson and son, Jason, from Unionville (right); and Mrs. Jane Ritchies and two sons, Mark and Steven (left) of Willowdale. Also pictured is Tammy Sherwin, 8, of Thornhill, who played "Alice" and was a partner for the Hillcrest Hare.

4-H Dairy members prepare for Fair

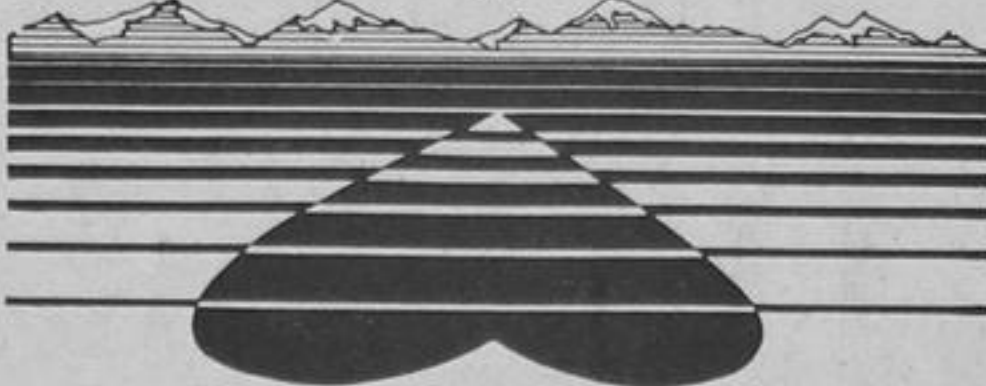

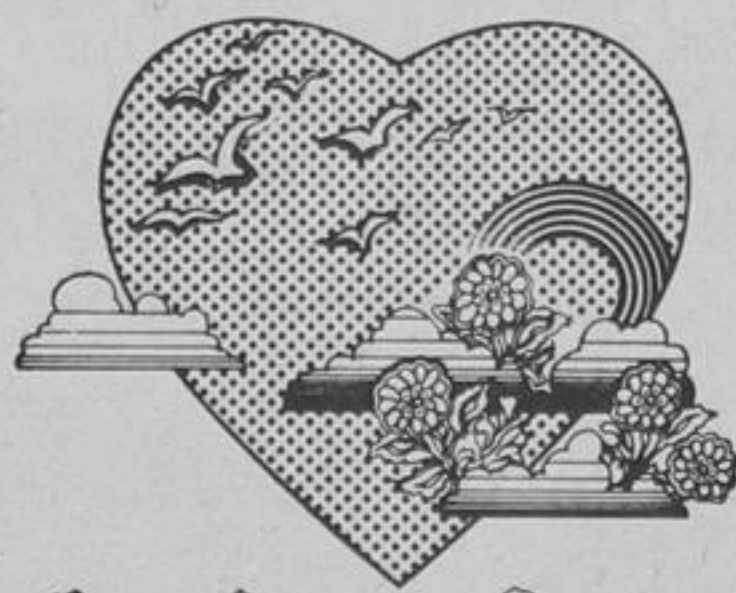

The King 4-H Dairy Club held its fifth meeting of the season at Savagedale Farms recently. The object of the meeting was to prepare for the Woodbridge Fair. Pairs of senior and junior members set out to catch a mature calf which had not been halter broken. The members got control of the calf, then set out to clip its head and tail. The calves were cleaned up by washing the tails and any dirty spots on the hide. Taking a wild calf and

turning it into a manageable and showable animal in a single day, is not an easy task, as the 4-H members discovered.

The club motto — learn to do by doing — was well worked during the meeting. Once the calves were ready to be shown, Arnold Winter judged them for appearance and dairy character, as junior members led the animals. Senior members were then judged on showmanship and their ability to present the calf to its best advantage.

The public will be able to see the results of this meeting by attending the Woodbridge Fair, which opens Friday, October 7 and continues through Thanksgiving Day, Monday, October 10.

DON'T LET A SEWAGE DISPOSAL PROBLEM RUIN YOUR PLANS

There is one sewage treatment system in Ontario that:

- A. operates completely with quiet submersible pumps.
- B. Processes sewage in batches to ensure thorough treatment.
- C. has a guarantee that means something, that you do not have to pay for, for ten years.
- D. Has a standard discharge pump system to allow wide ranging disposal bed locations.

There are plants designed for Domestic, Commercial and Industrial use. These Systems are manufactured by Northern Purification Services Limited.

To Truckers: Re Your Drivers Licences.

If you drive a truck over 18,000 pounds or tow a vehicle over 10,000 pounds.

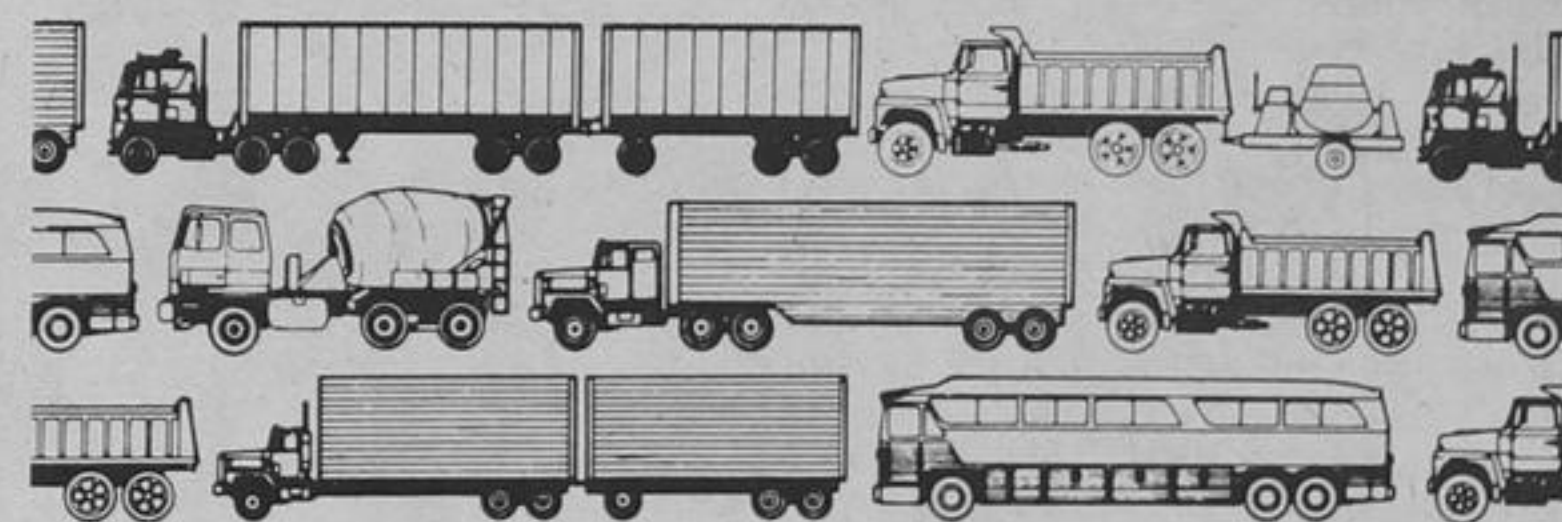

You must have your drivers licence converted to the proper classification by January 31, 1978.

After January 31, 1978, you will need to be retested, using the appropriate vehicle, before a new licence can be issued.

Further information is available at your local Ministry of Transportation and Communications Driver Licence Issuing Office.
