

Hill minor soccer takes trophies

By JANE STEL
The Region of York Inter-District Soccer League wound up its season Saturday in Thornhill with eight cup finals being played. The finals had been re-scheduled from Oct. 1 because of atrocious weather and field conditions and the elements

this time were almost as unkind. Heavy rains, cold temperatures and strong winds made playing good soccer almost impossible and all players and spectators have to be given credit for their efforts and courage displayed. Richmond Hill was

represented in all finals, winning five and losing three. Winning efforts came from the Richmond Hill Dynes Jewellers' Minor Atoms who scored two late goals to edge Newmarket 2-1; the Richvale Lions Markham 4-1; and the Cadillac-Baif Major Bantams squeaking by Aurora 4-3.

In all five divisions the Hillers completed the double of League and Cup play. The league-winning Gamma Foundry Minor Peewees failed in their attempt to complete the double losing 3-2 to a determined Aurora squad. The Aurora Peewees and Minor Bantams edged their Richmond Hill counterparts 2-0 and 3-1 respectively. Richmond Hill teams can be satisfied with their performances this season in the Region of York finishing with six league championships and five Cup championships together with one second place in league play and three Cup finalists.

The age of miracles, it hadn't passed. That's what the members of the sometimes luckless Richmond Hill Mutual Life Fire Fighters must have

been thinking when they downed their York counterparts 8-5 in the opening game of the 1977-78 hockey season. They've had their troubles since joining the Ontario loop which involves fire fighter teams from all over Southwestern Ontario. It was Gerry Caume who scored the first goal of the year with assists

Blair Robson and Terry Haviland. But it was York roaring back to score three goals of its own before the first period ended. It was Haviland scoring at the start of the second period from Rod Chapman. Then it was Gary Vass tying the game from Robson before the period was five minutes old.

York scored before the end of the period to narrow the game to 4-3. It started with Chapman scoring on a breakaway. Caume followed with his second from Haviland and end of the period to scored from Caume and Al McKenzie. This was followed by a David Septon goal from Robson and Chapman.

Richmond Hill firefighters on fire!

By MIKE KYTE
The Carling O'Keefe Open will be getting underway later next month, but you will only have to the end of October to enter. The entry deadline is Oct. 30 so get your entries into me soon. This event, sponsored by Carling O'Keefe Breweries, is open to all members of the York Simcoe Bowlers Association who are 18

years of age and over. For those of you who do not have an entry form, you can pick one up at any bowling centre or phone me at 884-9818 and I will send you one. While I am on the subject of entry deadlines, don't forget the Houl-Hellewell Mail-Graphic tournament. This tournament is open to all teams who are

members of the association. Each team will bowl three games during Bowling Week which is November 6 through November 12. Prizes will be awarded to the top mens, ladies and mixed teams. The entry deadline is October 30. Once again, this year, the Ontario Bowlers Congress will be conducting another lottery.

Tickets will be sold for \$1 each, with first prize being a 1978 car. There will also be five consolation prizes of color television sets. More information will be available in the near future. The Wednesday Nite Mixed league is well on the way to having a very successful year. With a total of 16 teams, the competition will be tough. Leading the series after four weeks are the Rebels with 94 points. In second place, also with 94 points but less pinfall, is the Jokers. There is a two-way split for third place between the Diamonds and the Polar Bears with 88 points each. High average for the men is Dave Alexander with 246

O'Keefe bowling open coming

followed by Dave Weagle (319), Gary Byer 708 (235) and Craig Rayson (270). For the ladies, Betty Wolfreys 787 (365), Rose Antl 721 (249), and Betty McWhirter 702 (267). High singles went to Jack Hill (278), Brian Butler (280), Ken Morin (291), Donnie Byer (285), Craig Rayson (251) and Reg Wade who averages (352), George Stepanovs 119 rolled a 245 and Willi 703 (265), Ed Weber 729 Sill who averages 154 (313), Mike Kyte 724 rolled 264.

AURORA HIGHLANDS GOLF CLUB FITNESS
TOO GOOD TO BE INTERESTING

Fitness training does not possess the same interest factor as Passive Recreation (watching T.V., reading a book, playing cards, collecting stamps, etc.) or Active Recreation (golfing, fishing, gardening, tennis, etc.) which enable one to spend leisure in a meaningful way. It is most important to have something exciting to look forward to every week or possibly every day, and passive and active recreation in this respect are valuable. However, it may resolve down to how soon one wishes to land on the green or be placed under it.

The fatal flaws found frequently with passive and active recreation are:

- (1) No endurance training to open up more blood vessels in the heart and arterial tree which would provide a by-pass in case of a narrowing or occlusion of a vessel. If there were additional "highways", then blood and oxygen could be carried to the damaged area in times of emergency.
- (2) No muscular training to develop strength in the abdominal, heaving, and postural muscles.
- (3) No stretching of an exact nature to counteract stiffening and impairment of the articular cartilage.

From September to December 31, 1977
