ALWAYS CHECK TRIM AS WELL AS PRICE

Many markets that claim to trim their meats do only a token job. To give you full value, Safeway trims steak like this:

EXPERT MEAT CUTTING AND TRIMMING

Our method of trimming meat gives you more good eating meat on the table for your money, because excess fat and bone are cut off before the meat is weighed. In preparing meats for sale, we also make sure that each cut will be just right for its cooking method. The meat on every Safeway steak, for example, is all steak meat. The less tender end portion has been trimmed off to be sold at a lower price per pound. Similarly, a Safeway roast is roast meat.
