## Choose nylon or polyester

Select the Winter Express 4-ply in nylon or polyester for deep snow traction. Both are great performers produced from the same molds. Nylon blackwall offers lower cost, while polyester whitewall eliminates cold-start thump.

## Belted Hiway Byway

The 2+2 glass belted Hiway Byway tire has made its own reputation for outstanding performance. Greasy highways or snowed in byways are just passing concerns. Two tough Du Pont-66 nylon plies under two encircling glass belts add up to a super tire with plenty of GO!

## Supreme steel radial!

You'll get up to 80% more drive-wheel traction than with your summer radials! That means extra safety in winter and ability to get you through where others may fail. Contoured and constructed to match the characteristics of new car radials. Two steel belts over two polyester plies plus a nylon cap ply for added durability. An exceptional tire.

5-year road hazard insurance Coverage applies to above tires. It insures your tires against damage caused by road conditions which render them unsafe. Now, that's a rare plus!

No charge for passenger tire installation on most standard rims when you buy a Schrader or Dill valve at regular price of \$1.00. We must install our new valve and tire together. That's a top value offer!

**\*5% DISCOUNT** for cash payment on tires in lieu of bonus coupons
