

Lions' work helping the blind was the topic of conversation at last week's Maple Lions Club dinner meeting. Lion Fred Constable of Major Mackenzie Drive (left) is shown with blind former Edmonton Eskimo football player Ed

Kincaid of London, Ont. and seeing eye dog Wolf. Aurora Lion Earl Stewart (right) holds on. Stewart is the Lions district chairman of sight conservation and work for the blind.

## More Wintario money pours into district

Grants totalling about \$30,000 have been approved for 10 projects in the Richmond Hill-Thornhill area from the proceeds of Wintario.

A grant up to \$15,000 will go to the Lions Club of Richmond Hill to assist with the costs of improvements to the Lions Hall, including the construction of a new storage building.

The Society for the Preservation of Historic Thornhill will receive \$4,347 to share with the costs of celebrations in honor of the Queen's Silver Jubilee.

A grant up to \$3,012 will go to the Richmond Hill Arena Association to assist with the costs of finishing three rooms between two arenas for maximum space utilization.

The Richmond Hill Trampoline Club will receive two grants; one for \$2,753 to help with the purchase of a trampoline and safety equipment; and one for \$92 to defray costs of transportation to attend the Invitational 1977 Provincial Championship in Kingston.

A grant up to \$2,375 will be made to the Richmond Hill Arena Association to aid with the purchase and installation of a dehumidifier for the Bond Lake Arena.

The Ontario Modern Gymnastic Federation in Thornhill will receive \$1,500 for travel assistance to attend an invitational gymnastic tournament in Varna, Bulgaria.

The Grandview Tennis Club in Thornhill is to receive a grant of \$1,059 to assist with the purchase of windscreens.

A grant of \$225 is to be made to the York South Division of the Girl Guides of Canada in Richmond Hill to defray the costs of travel to attend the 1977 International Camp on Cape Breton Island.

Mary Elizabeth Manley of Richmond Hill will receive a grant of \$110 to assist with her travel expenses to attend the CAHPER Conference in Wolfville, Nova Scotia.

## Parks moving into arena

Vaughan's parks and recreation staff will move to the Maple arena to provide a temporary solution to overcrowding.

## Elmwood Manor plans bazaar

The Nobleton Anglican Church Women are busily preparing for their third annual bazaar to be held in the Community Hall, on Saturday, November 26 from 2 to 4.30 p.m.

There will be a bake table, handwork, quilts, granny's attic and afternoon tea.

Come on out and do some Christmas shopping.

In the municipal offices, council decided last week.

An earlier decision to rent or purchase portable office space for the overflow of the engineering department was revoked.

Council felt it would be better to make improvements on a town-owned building than spend money on portable space not owned by the municipality.

However, the recommendation passed at the meeting stressed that "longer term solutions" must be found for the "inadequacy of the existing town hall".

It was also pointed out that administrative heads of departments should be housed in the same building.

Alterations in the engineering department at the municipal offices and the provision of office space in the arena is to cost not more than \$9,000, council decided.
