## Lieutenant-Governor to attend library fund-raising dinner

Lieutenant-Governor Pauline McGibbon will be the guest of honor at a \$100-per-couple Champagne Dinner-Dance to benefit the Aurora Public Library Building Fund February 11, 1978, at St. Andrew's College.

The gala fund-raising affair will mark the Lieutenant-Governor's first official visit to Aurora.

"We're delighted and honored that the Lieutenant-Governor has found time on her busy schedule to visit Aurora for this special evening," said Campaign Chairman Dick Illingworth. "We believe it will be a most memorable occasion."

Besides free champagne during the cocktail hour, the formal event will include a banquet and dancing to the Quintet of the Royal Regiment of

Canada.

One of the Chief architects of the event is Norm Stewart, dining steward at St. Andrew's College, which has donated the use of its Great Hall for the evening.

"We at St. Andrew's are very enthusiastic about this," Mr. Stewart told the fund-raising committee at its meeting last week. "We think we can make it a night to be remembered."

Mr. Stewart said his tentative menu includes breast of chicken cordon bleu with wine and mushroom sauce, beef stroganoff on noodles, and glazed trout, with Baked Alaska for dessert.

Seating will be limited to 120 couples, and some reservations already have been received.

Omar Khamissa of

Omar's Shoes in the Aurora Shopping Centre is co-ordinating reservations.

People wishing to reserve tickets at \$100 per couple may contact Mr. Khamissa at 727-9391; Bud Gilbert at 727-5745; Ken Fines at 727-6181; Norm Stewart at 727-4624; or the library at 727-9493.

The dinner-dance is one of many events in a year-long campaign to raise \$100,000 to complete the Aurora library addition. Wintario funds will match that amount to facilitate completion of the project.

A wide variety of community groups, service clubs, businesses, industries and school organizations have joined in the campaign, the largest in Aurora's history. So far, about \$20,000 has been raised.

# School play tickets now on sale in foyer

By DAVE SLONOSKY and ROBIN BIRNIE

On December 8, 9, and 10, at Bayview Secondary School, the Theatre Arts department is producing the play "Lady Precious Stream".

This play is a Chinese comedy and the sets and props were said to be elaborate.

The play is the Theatre Arts department's first production of the year, and there will hopefully be two more productions during the year.

Tickets will be available at the school between 11:20 a.m. and 1:30 p.m. in the front foyer.

Mr. Gerber, the

school's principal, had a meeting with various students to discuss the topic of the smoking area in the school.

As of November 21, smoking has been forbidden for students on school property.

Many students have been upset by the matter and it is rumored that the

false fire alarms rung during classes since the closing of the school's smoking area is revenge for the closing of the area.

Students who persist in smoking on school property are being suspended.

The girls' volleyball trouts have started for both juniors and seniors.

The number of girls

showing up was phenomenal, and Bayview can look forward to a promising volleyball season.
