

German Mills

O'Keefe visit planned for kids

By DOREEN LIVINGSTONE
889-9922

The Association for Bright Children is spending Christmas with the Nutcracker. More than 100 participants will be attending a matinee performance of the Nutcracker at the O'Keefe Centre Friday, December 23. Following the performance they will meet backstage with the cast.

CONCERTS

Now that St. Michael's Separate School is housed in its own beautiful building they are planning a Christmas Concert Tuesday evening, December 20.

Students in Grades 5 to 8 will be performing in the choir, band and in plays. Parents and friends are welcome. The primary grades will have individual presentations in their own classrooms.

The staff of St. Michael's had their neighbors over yesterday. They entertained the staff of German Mills Public School.

CABLE TAPE

Those who are unable to attend the winter concert being held this evening and tomorrow evening at 7:15 at German Mills Public School will have the opportunity of seeing it on cable television in the near future. The concert was taped this morning.

A reminder that those with surnames beginning A-L should attend Wednesday, December 14, and those whose surnames begin with M-Z should attend on Thursday, December 15.

OPEN MEETING

The Shaar Shalom Synagogue, to be located at Don Mills Road and Simonston Blvd., is holding an open meeting for all new and potential members.

Anyone wanting information about this conservative congregation, its Hebrew School, or any of its other facilities is invited to attend on Sunday, December 18, 8 p.m. in the auditorium of Hillmount Public School, 245 McNicol Avenue in Willowdale.

Refreshments will be served and admission is free. For further information call 222-2908, or 889-6229.

PIANO NEEDED

German Mills Public School is looking for a piano, new or used. They would prefer an apartment size piano called a "spinette" in good condition.

Anyone who knows where such a piano can be obtained should call Miss Barbara Asher at German Mills Public School, 889-8776.
