

Special bowling day at A.B.C.

By MIKE KYTE
Starting January 1, 1978, ABC Bowl will be under new management. To begin the New Year off right all bowling proceeds taken in that day will be donated to the March of Dimes. Bowling will start at 9 a.m. and continue right

up to 11 p.m. at a cost of 50 cents per game. So, if you are not suffering from the night before come on out and strike it rich for the March of Dimes.

Tickets are now available from your House rep or from the executive for the York Simcoe Bowlers Association's annual North South Tournament and Dance on January 21. This is a full day of activity commencing at 2 p.m. at Newmarket Bowlerama then on to the East Gwillimbury Hall for the dinner and dance.

For those of you who have attended this due before will surely know it is very enjoyable and everyone has a good time. You still have time before Christmas to buy an Ontario Bowlers Congress lottery ticket to put in your favorite bowler's stocking or bowling bag. They are only \$1 and all proceeds go to help the blind

bowlers and the senior citizen bowlers. You have a chance to win a 1978 Buick Le Sabre or one of five R.C.A. color television sets. The Wednesday Nite

Mixed league from ABC held their qualifying house round for the Carling O'Keefe Classic 210 & under last week.

There was some excellent bowling as Bruce Weir led the men with a 832 triple which included a 403 single. Then Don Dupont with 783 (307) Mike Kyte 780 (309), Morris Fletcher 704, George Stepanov 688 (299), Ross Myles 676, Gord Cassidy 670, Brian Butler 664, Frank Price 637, and Gord Crofts 619.

For the ladies it was Allison Weagle 750 (291), Betty Wolfreys 722, Rose Antl 685, Mary Wheeler 616, Gloria Byer 608, and Edith Harrison 600.

In the series race, the Blue Jays are pulling out in front with 176½ points. Following in second are the Jokers with 159 points then the Diamonds with 153½. High Average for the ladies is very close as Betty Wolfreys has 223 but right behind her is Rose Antl with 221, then Gloria Byer with 203. For the men Dave Alexander still controls the top with a 250 then Craig Rayson 233 and following right behind is Ed Weber 231.

Bantams tie 4-4

The Richmond Hill Roman Corporation Bantam A's tied a fired-up Thornhill club 4-4 in a tough, hard fought game. Richmond Hill goals were scored by J. P. Farrell from David Carmichael; Farrell again from Carl D'Antimo; David Carmichael from Farrell and Paul Harrietha; and Carmichael again from Harrietha and Rick Scragg.

This weekend the bantams hope to bring home the silver as they head to Owen Sound for a tournament.

The team would also like to thank all of the residents of the area for their co-operation and generosity during the team's fund-raising activities for this tournament.

Curlers greet Santa

By CLIFF WEBB
What a day it was, — good curling, good fun, good food, and good partying. A sell-out 'spiel' surrounded by success. That was this year's RHCC Christmas Bonspiel.

The committee wishes however to apologise to all those members who broke teeth on the frozen chewing gum and candy and regret that our liability insurance does not cover repair of dentures.

Our apologies too to the elderly lady spectator. We hope that she now understands that "All the way" and "harder" are merely expressions of encouragement used by the skips to their sweepers.

Like any other 'spiel', the end result produced winners and here they are; Overall winner was Art Miller and his rink.

First draw winners— 1st Art Miller; 2nd Alec Wood; 3rd John Scott. Second draw — 1st Ken Spicer; 2nd Ron Wilson; 3rd Mike Olyneec.

Single High Game Winners — Dave Bruce; Frank Wood.

Ross Wood and his committee did an excellent job to provide a well produced 'spiel'. Anne and I unfortunately missed most of the party but we did stay around long enough to find out that Santa's real name is Bob Moore.

When asked to make a Christmas statement for the press, he said, "It's !+&! 'hot in this ?&!(!?&! outfit!". Not only was Bob an excellent Santa, he also put in an excellent days curling considering his long lay-off following his shoulder injury early this season.

In the recent North American Life Bonspiel, Richmond Hill Curling Club had two entires. Faye Weiss and her rink of Marg Mellon vice, Joanne Bloxam second, and Fran Anderson lead curled six games in three days and won three, lost three almost making to the semi-finals.

Terri Powell and her rink of Helen Awde vice, Bert Vernon second, and Irma Ferris third, curled four games but did not manage any wins. We wish these rinks greater success next year and thank them for their representation of our club.

At the end of the men's first schedule Monday evening competitive curling, the top 10 are: 1st John Graydon 25 pts; 2nd Len Lee 20 pts; 3rd Jim Anderson 18 pts; 4th Tubby Barrow 16 pts; 5th Dalt Hicks 16 pts; 6th Bob Weiss 16 pts; 7th Clark Bullock 15 pts; 8th Walt Lavender 15 pts; 9th Frank Ellison 15 pts; 10th Five way tie.

One final note and that is that I do not make the news but if you do write about it. So if you do have news from our curling club call me at home anytime except for Monday through Sunday.

Cadillac Baif peewees win 3 more

The Richmond Hill Cadillac Baif Peewees continued their winning ways defeating Oak Ridges, Oshawa and arch-rival Barrie.

Against Barrie the roles were reversed and the

Cadillac Baif team came from behind to take two points from the visiting Barrie team.

The victory avenged an earlier loss to Barrie (1-0 in Barrie). It was Richmond Hill's only setback in the last nine games. The fact that the Baifers have allowed only 14 goals in their last nine games attests to the fact the whole team is "pulling together"

defensively.

Also indicative of the peewees team play is the fact that over half of the 30 goals scored by the team over the last nine games have resulted

from three-way passing plays.

The boys are hopeful they can continue their strong play into the Rosetown Tournament on December 26, 27 and 28 for the hometown fans.

Great holiday meat at Miracle's own prices!
