

Oak Ridges

Membership bargain at skating club

By **MILLIE STEWART**
773-4424

The second half of the skating season will commence January 3. There is still room in the club for more members, and if you register now, you can

save money. Anyone who registers January 3 or January 5 will pay half the regular fee. For more information about the fee schedule, please call Corrie Deary at 773-5564. By the way, registrations will be taken in the lobby of Bond Lake Arena from 4:30 to 5:30 on the above dates.

Nineteen-year-old, Kevin Bennett had never figure skated in his life when he joined the Bond Lake club in October.

He had, however, roller skated. When test day arrived in November, Kevin entered and surprised everyone, but most of all himself, by winning 10 badges. That's no mean feat, when you've only been at it a month. Well done, Kevin.

The First Oak Ridges Guide Company held its first enrolment last week. The three girls who have successfully completed the Tenderfoot requirements and who

were enrolled are: Rosanna Farrell, Carolyn Hannes and Karen MacArthur. **LIONS** The Oak Ridges Lions have once again, helped to make Christmas a little bit brighter for some people in the community. Twelve hampers including toys for the kids and a complete Christmas dinner were handed out this year.

The sale of Christmas trees has been successful for the Lions. Thanks to all who bought their tree from the

Lions. You have contributed to their fund raising for the year. **NEW YEAR'S DANCES** For those of you who still haven't decided where to celebrate New Year's Eve, maybe the following list of local dances will help in the decision.

The Oak Ridges Lions still have a few tickets left for their gala party which will be held in the Lions' Den at Bond Lake Arena. The \$35 ticket price is all inclusive. Tickets may be purchased from Lion George Neil at 773-4696.

The Viking Club will have their dance in the club above the Oak Ridges Plaza. Their tickets, which may be purchased at Rudy's Fish & Chip store, are also \$35 per couple and the price is all inclusive.

Our Lady's Guild will hold their New Year's dance at Our Lady of the Annunciation school on Bond Cr. in Oak Ridges. The admission price is \$15 per couple and refreshments are extra. For tickets, please call Mrs. Mennen at 773-5873.

German Mills

The taping needed only one take

By **DOREEN LIVINGSTONE**
889-9922

If you watched last week's showing on Cable 10 of the German Mills Public School Winter Concert you may be interested in some of the background.

When the tape was edited an error was made and the primary choir had to be re-taped. Director of the choir, Barbara Asher, had her job cut out for her. Was it possible to tape 180 primary students a second time without a hassle? I had to find out for myself. Although it meant an evening session, most of the students were able to come, along with their parents, who were not too happy about being sent out of the gym prior to the taping. Complete quiet is necessary and therein lies the problem.

The children were called to the stage by number with piano accompaniment by Verrol McGee. Miss Asher put them at ease by complimenting them on their appearance. "how come you all look so pretty tonight"? They were then asked to do all their coughing, sneezing and nose rubbing "now". And then the tape started rolling. A few minutes later it was all over but the applause and guess what — only one take! Classicom's Judy Gans was satisfied and remarked "that they are one of the best choirs".

APPLE CAKE

Jewish apple cake? That was one of the contributions at Patti Grand's annual Christmas cookie exchange. Here's how it works. Twenty-six invited guests from the German Mills area brought over an assortment of their favorite home-made recipes and took home a selection of everyone else's.

This year there were some new ideas. Colleen Reed, co-President of St. Michael's Parents Guild brought in the Jewish apple cake and Leandre Camargo, originally from South America, selected a South American recipe, chocolate covered fruit balls.

CHAPMAN

German Mills Public School has several parent liaison meetings during the school year and the next one is scheduled for Tuesday January 17, with special guests Sam Chapman, Director of Education, and David Crombie. (That's a Markham school trustee.) The next three parent liaison meetings are to be taped by Classicom. If you are interested in attending one of these meetings, contact the school at 889-8776.

NETWORK

With winter upon us German Mills Public School has organized a telephone network to contact parents regarding early school closings. Principal Gordon Maunders emphasizes that parents should ensure that their child knows where to go if the parents are not at home.
