

Dream summer tennis

By ART GRAHAM
The Richmond Hill Lawn Tennis Club has completed another successful season of outdoor tennis and the new club executive committee has been busy formulating plans for next summer.

mind, the club executive has already determined that membership fees will not be increased in 1978. As an added incentive to juniors the fee will be lowered from \$10 to \$5. There are few other recreational facilities available to youngsters which can provide about six months of fun and sport at as low a cost as this.

COACHING

There will also be a tennis coaching program available for both senior

and junior members and two registration nights for coaching will be announced in the near future. The club is always striving to maintain and improve its facilities and in this respect has budgeted funds towards the resurfacing of the courts.

To make resurfacing in 1978 a reality, however, the club is looking to the province and the municipality for financial assistance.

Application for such grants has been made, and in the interest of continuing to provide good facilities to the Richmond Hill community, it is hoped that financial assistance will be forthcoming.

SOCIAL EVE

A closing social evening has also been planned for RHLTC members and their guests.

This will include dinner, presentation of trophies, dancing, and a tennis movie. All this will

happen Saturday evening, February 4 at the Parkway Hotel.

Starvation stalks millions.
