They're not the Montreal Canadiens but they sure are the "Villa Wheelers". Just look at the trophies. Left to right are (back row) Danny Giberson, Doug Hamilton,

The 'Villa Wheelers'

By FRED SIMPSON
When hockey player Lee Martin gets a breakaway he's the fastest thing on wheels at the Villa Hospital in Thornhill.

This spirited little bit of byplay was taking place in between games at the hospital where members of the "Villa Wheelers" were savoring their perfect record to date this season: Four wins and no losses.

All eight players are muscular dystrophy patients — ranging in ages from 12 to 17 — at the Villa Hospital and are just as proud of their record as the Montreal Canadiens.

"The boys have been together for four seasons," says coach Marg Barenthin who is also head of the recreation department at the hospital. "They play in a wheelchair league against other hospitals in Toronto and their record has been outstanding."

It certainly has. Last season the Wheelers won the league and grand championship and the season before they took the league title but lost the grand championship. "We blew it in the last game," said another player. "Just a bad game. We don't plan to make that mistake again this season."

Hill tourney on way

By BOB REEVES
At the risk of repeating myself, it is still difficult to believe that our 11th annual Richmond Hill Midget hockey tournament is less than two weeks away.

Monday March 20 will see the first puck dropped in the opening game between Oakville and Newmarket at 9 a.m. Five other games will follow that day prior to the official opening game at 7:30 p.m.

Some very interesting anecdotes about the tournament.

In addition the grand championship game will be televised along with pre-game interviews and activities. Be sure to watch it.

Not enough can be said by way of thanks to this fine group of dedicated workers.

Make a point of coming to the arena each and every day of the week to see great midget hockey. If you have any doubts just take a look at the teams entered:

And so with the exception of billeting — and please help here if you can — all is going well.

This game, of course, is the group who man the phones, register the players, host the teams, take care of players' equipment and, in effect, make the whole affair run smoothly.

There is, however, one note of gloom. Latest reports show that billeting is not going well. We are still in need of 20 more homes to take care of the boys from out of the town.

Firefighters lose, tie

The Richmond Hill Firefighters lost a 4-2 game to Scarboro last week and then tied Toronto 3-3.

Caume and Pat Goode but Scarboro scored again before the period ended and that was it. There was no scoring in the third with both teams missing many chances.

The second game against Toronto saw a scoreless first two periods with Richmond Hill goalie Ben Bourget making many big stops.

Richmond Hill played a strong game against Scarboro as the winners opened the scoring in the first period only to have Rod Chapman tie it from Dave Olson and Brian Burgess.

That was all the scoring until the midway point of the second period when Scarboro struck with two fast goals.

Terry Haviland opened the scoring in the third period from Rod Chapman after only 50 seconds of play. The next face-off saw Chapman taking the puck in and scoring again to make it 2-0.

Good Pepsi bowling

By MIKE KYTE

The Pepsi Cola High School championships were held last Sunday at Pro Bowl. The tournament was well attended as there were 80 competitors, all trying to catch a spot on one of the three teams, boys, girls or mixed. The winners were calculated according to their finish after the four games based on flat scores.

Wolfreys (776) from A.B.C., Steve McNaught (867) Harold Turner (862) both from Newmarket and Mark Tranter (807) from Stouffville.

Debbie Greenfield came close with a 140. Jill also turned in the high triple of 405 while Sherri Miller rolled a 374 triple. Sherri leads the girls for high average with 128 followed by Jill Fisher with 121.

Invitational League — The Pin-ups are back in the swing of things and they sure let the Chug-a-lugs know it Sunday night as they wiped them out. The Pin-ups being extremely modest chose not to mention the overall score.

Leading the way for the girls' team was Cheryl Hogg from Markham with a 917, followed by Audrey Burns (899), Janet Wolfreys (854) from A.B.C. Bowl, Lorraine Peel (849) from Hilltop and Denise Edwards (825) from A.B.C.

Qualifying for the boys team was Steve Young (1010) from Hilltop, John Christie (951), from Stouffville, Rudy Penkarski (925) from Willowdale, Gary Byer (920) and Matt Thompson (881) both from A.B.C.

For the boys there's a real battle as Don Dupont and Stephen Byer both have 156 average. With only a few more weeks left it is very difficult to predict a winner.

For the ladies it's Betty Wolfreys with 226 followed by Rose Antl with 216 and Gloria Byer 207. High averages for the night went to Jack Hill 808 (309), Ken Morin 763 (333,287) Gary Byer 716 (263), Dave Weagle 659
