The last show and the regular meeting of the Thornhill and District Horticultural Society for 1978 will be held in the new quarters at the Gallanough Library, foot of Brooke Street, Thornhill, on October 3 at 8 p.m.

The Society expects this to be an especially good meeting with a new meeting hall, new showroom, renewed after-the-holidays spirit, and an excellent speaker.

The guest speaker will be Robert Keith, Richmond Hill, a gardening celebrity who will speak on "Planting of Fall Bulbs" with emphasis on new cultivars and unusual bulbs.

In addition to the show and lecture, the Society Library will be in operation. Produce, and plants will be offered for sale. Refreshments will be served and visitors are welcome.

Russ Porter, who is in charge of the photographic competition, which will be part of the January meeting is bringing the matter to the attention of members.

He reminds them that, "It is later than you think, with summer now passing into fall months, there has been excellent opportunities for capturing the many moods and rewards of nature with a camera.

Those interested in entering the Color Slide Photography Contest should know there are 14 entry classes. The points for judging have been modified to emphasize the 'horticultural' aspect of the contest". All en-

tries must be submitted to R.E. Porter, 1 Marie Court, Thornhill, on or before December 16, 1978.

IN THE MATTER OF THE ONTARIO HERITAGE ACT, 1974, S.O. CHAPTER 122 AND IN THE MATTER OF THE LANDS AND PREMISES AT THE FOLLOWING MUNICIPAL ADDRESSES IN THE PROVINCE OF ONTARIO:

38 Bedford Park Avenue
107 Hall Street
528 Carrville Road
750 Carrville Road

NOTICE OF INTENTION TO DESIGNATE
TAKE NOTICE that the Council of The Corporation of the Town of Richmond Hill intends to designate the property, including lands and buildings, at the following municipal addresses as properties of architectural and/or historical value or interest under Part IV of The Ontario Heritage Act, 1974, S.O. Chapter 122.

a) 38 Bedford Park Avenue
The reason for the designation of this property, known as Crosby Hall, is that its crowning cupola and overall scale make it unique among the other styles of building within the Town. Historically it is significant as it was built for Parker Crosby who had established himself in the mercantile business of the community after erecting the Fireproof Store in 1855. In the interior, the house has a nicely proportioned curved staircase.

b) 107 Hall Street
The reason for designation is that the house, known as Holmoor, expresses well the Loyalist vernacular style of domestic architecture. The Georgian proportions, the rectangular central hall plan with window openings evenly spaced along the facade, give it a pleasing sense of balance and proportion. Of local historical significance is the fact that it was used by consecutive doctors within the Langstaff family as an office/residence and, at one time, hospital over a period of 105 years.

c) 528 Carrville Road
The reason for designation of this cottage is that it is one of the earliest and historically interesting houses remaining in Richmond Hill. In particular the front part is of stucco on plank-on-plank construction and it was built by Rowland Burr, who lived there for about a decade and a half. Rowland Burr later built many residences and several mills in the Toronto area.

d) 750 Carrville Road
The reason for designation of this building is that it is one of the few built in Richmond Hill of vertical plank construction. Historically it was built and served for a number of years as a meeting place for the Canadian Conference on Evangelical Associations in North America. Later it was converted to a residence.

Note: Due to road widening this building will be relocated on a site adjoining the house built by Rowland Burr.

Any person may, before the 20th day of October, 1978, send by Registered Mail or deliver to the Clerk of the Town of Richmond Hill notice of his or her objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts. When a notice of objection has been received, the Council of The Corporation of the Town of Richmond Hill will refer the matter to the Conservation Review Board for a hearing in and report.

DATED at the Town of Richmond Hill this 20th day of September, 1978.
C. D. Weldon,
Clerk,
Town of Richmond Hill.
