New Canada Savings Bonds

Safety, instant cash and a good return

For over 32 years, Canada Savings Bonds have been a great Canadian tradition.

With Canada Savings Bonds, you get a safe, secure investment which earns good interest year after year. And they're instant cash anytime. No wonder millions of Canadians invest in Canada Savings Bonds every year.

New Canada Savings Bonds are dated November 1, 1978 and yield an average annual interest of 8.90% when held to maturity in 1985. Each new bond earns interest of 8.50% the first year and 9% for each of the remaining 6 years.

The choice is yours

Canada Savings Bonds also offer you a great choice. There's a Regular Interest Bond that pays interest each year. And a Compound Interest Bond that reinvests your interest automatically. Choose the bond that's right for you.

The Regular Interest Bond

If you want a regular annual income from your investment, you'll like the Regular Interest Bond which pays interest automatically each November 1.

If you're like many bondholders, you'll appreciate the direct deposit feature. With this convenient option, your interest is deposited directly into your chequing or savings account.

Simply ask for it when you buy your new bonds. Or, you can receive your interest by cheque through the mail. You can buy the Regular Interest Bond for cash wherever you bank or invest in denominations of \$300, \$500, \$1,000, \$5,000 and \$10,000.

The Compound Interest Bond

If you seek savings growth, or an investment for the future, or a

retirement fund, you'll choose the Compound Interest Bond which earns interest on your interest, after the first year, at the guaranteed annual rate of 8.90%.

Here's how the value of a \$100 bond grows:

Nov 1	Value	Nov 1	Value
1979	\$108.50	1983	\$153.06
1980	\$118.26	1984	\$166.79
1981	\$128.88	1985	\$181.74
1982	\$140.46		

The Compound Interest Bond may be purchased for cash or on the convenient Monthly Savings Plan wherever you bank or invest. It is available in denominations of \$100, \$300, \$500, \$1,000, \$5,000 and \$10,000.

A dual purchase limit

You may buy new Canada Savings Bonds in various amounts up to a limit of \$30,000. In addition, holders of "S24" and "SR" bonds may reinvest all proceeds from their maturing bonds in the new Series.

Buy yours now

Millions of Canadians will be buying Canada Savings Bonds again this year. So visit your bank, investment dealer, trust company or credit union as soon as possible and choose the bond that's right for you. Do it now and avoid the rush!

WHERE OTHER ECONOMY WAGONS LEAVE OFF, THE '79 DATSUN 210 KEEPS RIGHT ON GOING.

The Datsun 210 Sports Wagon - new for '79. Add it up. You're buying at least 2.0 fewer litres of gas per 100 kilometres* than you'd need to with a Pinto. Plus a much longer list of standard features.

You're getting a longer, legroomier, wider interior than you'd get in a Honda Civic wagon.

You can get a gas-saving 5-speed transmission that the Civic wagon doesn't

even offer. You're getting 12 cubic feet more cargo capacity than you'd get with the Corolla wagon.

For its economy price, the '79 Datsun 210 Sports Wagon adds up to unbeatable value. And Datsun dares to put its six year anti-corrosion policy in writing.

The new Datsun. See it at your local dealer. 210-510-SPORTRUCK-200 SX-280 ZX

THERE'S MORE FUTURE IN A DATSUN.

THE NEW 210. THERE'S MORE FUTURE IN A DATSUN.

*Based on lab tests, using approved Transport Canada methods. Actual consumption will vary. Urban winter consumption will be significantly greater. Consult the 1979 Transport Canada Guide for details. All competitive data according to available industry sources at press time.

GAS ECONOMY & STANDARD FEATURES:
If you're looking to get gas economy of only 6.5 litres per 100 kilometres* out of your new wagon, you won't get it in a Pinto. But you will get it with a new 210. And a Pinto will make you pay extra for features that are standard on a 210.

TRANSMISSION CHOICE & INTERIOR ROOM:
You can't buy a 210 Honda Civic wagon with an economical 5-speed transmission. But you can get it on the 210 Sports Wagon. And if you want a roomy interior, the 210 is more than 8 inches longer and 3 inches wider than the Civic.

MANEUVERABILITY & CARGO ROOM:
You can turn a 210 Sports Wagon in only 32.8 ft. Cargo space? The 210 Sports Wagon gives you 12 cubic feet more of it than the Corolla wagon. Parking or packing—you're better off in a 210!
