## RESULTS!

They're what you get when you go Liberal

St. Robert's High School chalked up another big first in its brief three-year history in athletics last week. The biggest yet.

They won the Georgian Bay Secondary Schools Athletic Midget Boys Volleyball Championship. "It was simply a fan-

tastic team effort," was the way coach Gerry Brand termed the triumph which was accomplished in Alliston at

Banting Memorial High School last Thursday. Brand also acknowledged that "it might have been something of an upset in

the eyes of other schools especially since we had lost to Woodbridge in three games in our own division. But we just put it all together."

Members of the championship team are Jim Kehoe, Mike Hazell, Mike Scorrane, Zenon Byblow, Frank Paolini, Mario Poulin, Jeff Volpe, Renato Minuti, Larry Lecce, and Mauro Digulio.

Brand, "They made the trip to Alliston with us and really did their part."

# Bayview juniors lose

The Bayview Secondary School Junior soccer team lost only one York County game all season but, unfortunately, it was a big one.

squad and they all put up an impressive performance." Top scorer on the team was Eddie McNally with goalie Rick Clendinning performing in fine fashion all season.

Other top performers on the team included Peter Agnostopolous, Norm Murphy, Morris Fagan, and Adrian Steenson.

Bayview qualified for the final game against Aurora by defeating St. Robert's Catholic High School the week previously. Bayview goalscorers in that game were Ed Agnostopolous, one, and McNally, three, Peter Morris Fagan, one.

It came last week at the hands of Dr. G. W. Williams of Aurora in the finals of the northern division by 1-0.

"We had a number of chances to score in the second half," said Bayview coach John Arbuckle, "but we just couldn't beat the Williams goalie. He was very good."

Despite the loss, Arbuckle was delighted with the show his team made all season in winning eight games, losing only one, and tying one.

"We won our division of the York County," he said. "We had a very well-balanced, solid

Saskia scores again

The powerful St. Robert's Catholic High School senior girls basketball team won three more games last week assuring themselves of a playoff spot.

Leading the scoring way again was Saskia Vriend as she notched another personal high in St. Robert's 65-56 win over Richmond Hill High.

Saskia led the way with 17 points, Korchinski followed with nine points. Sandy MacDonald got seven points and also played a strong defensive game.

Earlier it was St. Robert's downing Langstaff Secondary School of Richmond Hill 49-36 in a very aggressive game with, yes, Saskia leading the way with 17 points. Korchinski followed with nine points. Sandy MacDonald got seven points and also played a strong defensive game.

St. Robert's other victory was a 38-16 triumph over Thornhill Secondary with Vriend accumulating 12 points and Sophie Brown 8.

The team's regular schedule record is now 9-2. Markham Secondary is in first, St. Robert's second.

Junior play saw St. Robert's defeating Langstaff 34-26 as they came up with a brilliant 12-point last quarter with going away.

Jolynn Ayott led the winners with 14 points while Laurie Andrejicka had 12 points.

The win clinched a playoff berth for the girls for the second year in a row. Thornhill finished first, Markham, second, St. Robert's third.
