We at have seen him in the pantomine Sent to the D - long before he time.

The other correspondent is a pectis insinuating Church of Rome thing, apparent ly choked by an Orangeman and hollowing for breath, with long stretches from Tho-B. Macaulay. But it would be unjust; nav. it would be a sin to do or say any thin against him. Poor fellow, he is as harmless as the rest of his kind. Although I can perceive from his sentiments that he would like to back bite if an opportunity afforded;

But, Sir, allow me to assure you that yo Gazette can have no greater recommendation in the eyes of the respectable community than the scandel of such a masqueraded paper as the Markham Economist.

I am yours truly. FRANK RANKIN

Richmond Hill, August 18th, 1857.

PATENT PUMPS!

THE Subscribers have pleasure in inform . ing the Inhabitants of Whitchurch and surrounding Townships, that they are manufac-

turing the best I umps now made in Canada, Patented by John Dennis. These Pumps are much better than the ordinary Wood Pump, for the following reasons; Firstly-The Water is much better, as there i of quarter as much wood in the well, and al free from sap. in order to do away with such exclusively of Home Manufacture. Also, a large celience over all competing Machines. beavy timber as is used in the common word nump, they add a sufficent number of iron bands ; this in kes the pump stronger and so much lighter.

that two men e n take one out of a well sixty fee: Comprising Coats, Vests, Pants. Hats and Caps Secondly-By the use of the Patent Culinder, which is turned perfectly smooth an I true on the inside, the box wears lenger and works easier than in the ordinary bored pumps. Thirdly-These Pumps are so simple that alnost any man can repair them, and by means of he nut on the rod, the Bucket is secured in such manner that it connot get loose; and as the

oints are all fi ted time and tight, there is no jarring in the working of the pumps. Lusily-These Pumps are neatly turned and painted, making it an ornament as well as a most useful article. Below will be found a few of the mudreds of references we might give from the various Townships in which the pumps have
