## Haileybury school seeks former pupils

To all ex-students of Haileybury High School: The Town of Haileybury will be celebrating its 75th Anniversary of its incorporation from Friday, June 29 to Tuesday, July 2, 1979.

Haileybury High School will hold its first reunion of ex-students on Saturday, June 30, from 10 a.m. to 4 p.m. in the school building. We sincerely hope that you will plan to attend if possible. If so, we ask you to

write us a short note to the address below, including the year that you left the school, so that we may produce a list of 'expecteds' for later publication. We should also like very much the loan of any suitable photographs in your possession.

These should have your name and return address on the back, and, if possible, the names of those in the photos. These pictures will be returned promptly after they are duplicated. Needless to say, we

should also welcome your help in notifying ex-students of your acquaintance who may not be contacted in this particular manner. Since the reunion will be held as part of the Town Anniversary celebrations, you will

have the opportunity to meet many friends other than classmates, and to enjoy the other events scheduled at that time. As soon as a comprehensive mailing list can be compiled, we will send to all who write in, the complete program of the Anniversary weekend.

So, please let us hear from you. We'll be there, and your friends will be there. Join us and make it a time to renew old friendships and rack up one more pleasant memory.

## Block Parents outline their 1978 activities

We are pleased to have over 900 Block Parent homes in the Thornhill area, including an active committee in the new Costain Willowbrook Development east of Bayview.

We had hoped to have a fall garage sale in order to raise money for several cherished projects. Unfortunately this had to be cancelled as we could not find a place to hold it that would cost less than \$200.

However, we did have a Gold Jewellery Sale with Maison D'Or Jewellery at the home of Past President Carol Andrews, and received a commission of \$140.68, from them which will nearly cover the cost of two members attending the annual Block Parent Conference to be held in Hamilton in May.

During the last few months of 1978 we have received donations amounting to \$515 which included \$150 from the Thornhill Recycling Depot; \$100 from the Vaughan Rotary Club; \$25 from Witco Chemical Company and \$100 from the Thornhill Kinsmen Club.

For these most generous donations we are most grateful. We also had donated a very beautiful floral arrangement from the Thornhill Florist and a superb cake from the Miracle Mart at Markham Place Mall for the German Mills School punch party.

Since September new educational material and the Block Parent record have been distributed to all schools and a display was set up at the Thornhill Festival.

The York Regional Police Safety Bureau and the school Block Parent committees have been

into all our schools to remind those children entering school this year about Block Parent Homes. We were very pleased to find that even those children entering school this year were aware of the Block Parent

Program. The 1979 Executive was installed on Monday, January 8, at the Thornhill Presbyterian Church, who have very generously lent their premises to us for our meetings. Kathryn Hall and Janet

Thank you for the good coverage on our "Bowl for a Boy" in your February 7 issue of The Liberal. This bowlathon is our main fund raising event. With the exception of a small grant from the Region of York, all our funds are raised by our board of directors; therefore community support is so essential.
